INVITATION

Dear Attendees,

We are glad to announce the 20th European Gastroenterology and Therapeutics Congress, to be held on November 17–18, 2025, in Paris, France, organized by the Conference Series with the generous support and cooperation of dedicated academicians and esteemed editorial board members. This congress serves as a unique international platform that brings together all stakeholders of the ecosystem – Industry, Academia, Researchers, Clinicians, Innovators, and Regulators – to present and discuss the latest trends, research findings, and challenges in the field of gastroenterology and therapeutics.

Life is about growth through sharing and learning. Make it count in your professional journey by attending the Gastroenterology 2025 to connect with peers, gain valuable insights, share expertise, and equip yourself with the latest advancements that can elevate your practice and research.

We look forward to personally welcoming you to our Conference!

Sincerely,
Gastroenterology 2025
Organizing Committee

ABOUT VENUE

PARIS, FRANCE

Paris, the capital city of France, is renowned as the “City of Light” and is celebrated worldwide for its elegance, charm, and cultural significance. Situated on the banks of the River Seine, Paris is a city of breath-taking beauty, boasting a wealth of iconic landmarks, museums, and an unmistakable romantic atmosphere. One of the most recognizable symbols of Paris is the Eiffel Tower. Standing at a height of 324 meters (1,063 feet), this wrought-iron lattice tower offers panoramic views of the city and is a must-visit attraction for tourists. Its intricate design and dazzling illumination at night make it a true architectural marvel. Paris is home to numerous world-class museums, showcasing some of the most revered artworks in history. The Louvre Museum, located in the heart of the city, houses the famous Mona Lisa, along with an extensive collection of art spanning thousands of years. The Musée d’Orsay, situated in a former railway station, is renowned for its impressionist and postimpressionist

masterpieces by artists such as Monet, Renoir, and Van Gogh. These museums are

cultural gems that attract art enthusiasts from all over the globe. The city’s historic district, known as Le Marais, is a captivating neighbourhood with its narrow, winding streets and well-preserved medieval architecture. It is a hub of art galleries, trendy boutiques, and vibrant cafes.
