Nanomedicine and Nanomaterials

December 04-05, 2023 | Prague, Czech Republic

Theme: "Microscopic to Nanoscale Advances in the Real World

About Conference:

ME Conferences welcomes you to the International Conference Nanomedicine and Nanomaterial's, which will be held on December 04-05, 2023 in Prague, Czech Republic

this great gathering, organizing committee invites participants from all over the world to gives their presence in the event with the

Theme

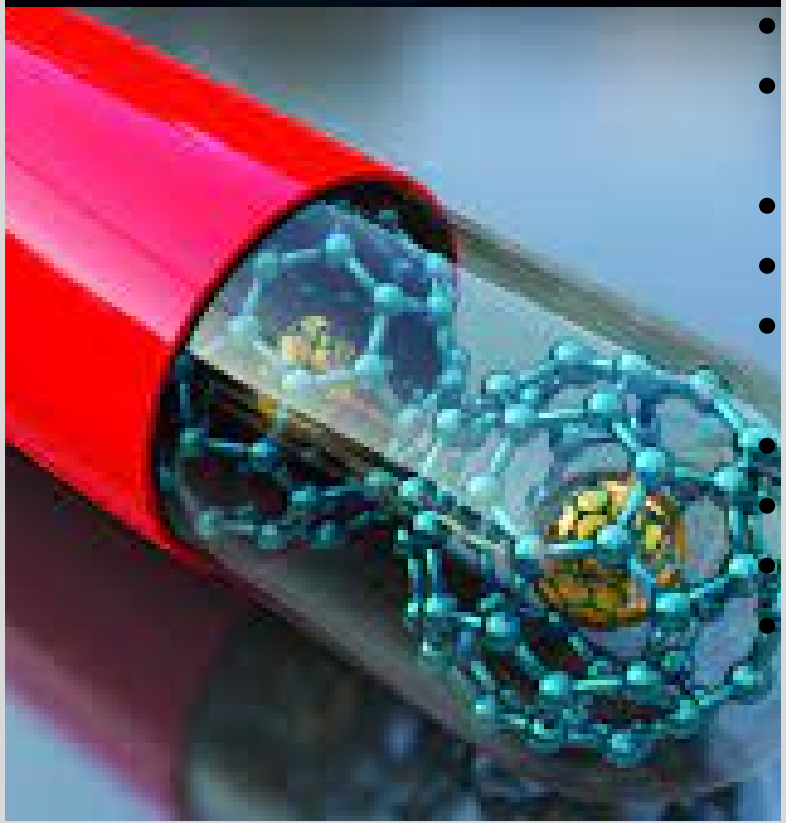

Microscopic to Nanoscale Advances in the Real World

Nano Med 2023 aims to share the new ideas, innovations, technologies towards the Nano medicine, nanomaterial's and create a platform for all researchers, scientists, professionals, speakers, experts and students. The conference also provides the opportunities and invites the companies and industries who gave their services, products and information about the innovation, ideas and research results.

Tracks / Sessions

- Nanomedicine
- Nanomaterials
- Bio Synthesis of Nanoparticles
- Pharmaceutical Microbiology & Drug Safety
- Nanotechnology in Energy
- Nanotechnology in Polymers
- Cancer and Nanotechnology
- Research and Development of Nano medicine
- Nano Technology in Tissue Engineering
- Nanotoxicology
- Nanobiotechnology
- Nano Surgery
- Personalized Nanomedicine
- Nanoparticle Based Drug Delivery
- Regenerative Medicine

Target audience

- Nanotechnologists
- Pharmacists
- Nano Scientists
- Pharmaceutical Companies and Markets
- Academicians
- Nanotechnology Students, Scientists
- Nanotechnology Researchers
- Nanotechnology Faculty
- Nanotechnology Associations and Societies
- Business Entrepreneurs
- Toxicologists
- Manufacturing Medical Devices Companies
- Nanotechnology Engineers
- Nanotechnology Faculty
- Industrial Professionals
- Academicians
