Invitation...

Dear Colleagues,

We are delighted to announce our **3rd International Conference and Exhibition on Pharmaceutical Nanotechnology and Nanomedicine** scheduled from **February 24-25, 2020** in **Rome, Italy**.

The main goal of organising this event is to bring out the latest research on Nanoscience & Nanotechnology, ideas and dreams of the people, who want to become entrepreneurs. This conference will provide an international platform to present all their skills, to meet the inspiring personalities, open-up new perspectives, design tomorrow's research agendas etc.

Nanomedicine and Nanotechnology is one of the highlights of the conference.

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Nano Pharmaceuticals 2020 promises that you will experience a great event. Starting a walk by knowing the global latest research on Nanomedicine & Pharmaceutical Nanotechnology. We believe that this will be the best platform to know it.

Then what are you waiting for, come let us meet there and learn and share more.
