3rd International Conference and Exhibition on

PHARMACEUTICAL NANOTECHNOLOGY AND NANOMEDICINE

NANO PHARMACEUTICALS 2021

September 22, 2021 | Webinar

Program at a Glance

20:00-20:15	**Opening Ceremony**
20:15 - 20:30	**Introduction**
Keynote Forum	
20:30 - 21:10	**Title: Present And Futurs Collaborative Drug Discovery Informatics Innovations**
	Barry A. Bunin, Samantha Jeschonek, Collaborative Drug Discovery, USA
21:10 - 21:50	**Title: AFM–Based Characterization Of The Interaction Of PriA With The Stalled Replication Fork**
	Yaquing Wang, University of Nebraska Medical Center, USA
21:50 - 22:30	**Title: Intratumoral Immunotherapy Using Platelet-Cloaked Nanoparticles Enhances Antitumor Immunity In Solid Tumors**
	Hua Gong, Nanoengineering, University of California, USA
22:30 - 23:10	**Title: Indian Solution To Global Health Problems Created by Covid-19 Pandemic**
	Pawan Saharan, CEO & Founder of Biomix Network INC. USA, India
Sessions: Nanoparticles and Nanomedicine | Pharmaceutical Nanotechnology | Nanomedicine and Nanobiotechnology | Nanorobotics and Nanomedicine | Smart Drug Delivery Technology | Computational Studies in Nanoparticles | Research and Development of Nanomedicine | Nanoparticles as Precise Drug Delivery Systems | Polymer Nanoparticles for Nanomedicines	
23:10 - 23:40	**Title: Cubosomes: A Promising Nanocarrier of Immense Therapeutic Value**
	Ram Sharnagat Thakur, Krupanidhi College of Pharmacy, India
23:40 - 00:10	**Title: Evaluation Of Curcumin Nano-micelle On Proliferation And Apoptosis Of HT29 And Hct116 Colon Cancer Cell Line**
	Ramin Ataee, Mazandarn University of Medical Sciences, Iran
00:10 - 00:40	**Title: Surface-Modified Graphene Quantum Dot Nanoparticles For Imaging And Therapeutic Applications**
	Haseeb A. Khan, King Saud University, Saudi Arabia
00:40 - 01:10	**Title: Interface Of Extramural Research In Nano Level Complies With Advanced Pharmaceutical Science And Basic Science In The Umbrella Of Nanoscience**
	Dhrubo Jyoti Sen, Techno India University, India
01:10-01:40	**Title: The Role Of Nano-Contrast Agents In Medical Imaging**
	Sadegh Dehghani, Tehran University of Medical Sciences, Tehran, Iran
01:40 - 02:10	**Title: The Health System In Sudan Is Characterised By Heavy Reliance On Charging Users At The Point Of Access**
	Abdeen Omer, Ministry of Health, Sudan
02:10 - 02:40	**Title: Electrochemical Amplified Nanostructure Sensors For Drug Sensing**
	Hassan Karimi-Maleh , University of Electronic Science and Technology of China, China
02:40 - 03:10	**Title: Enhancement Of Vaginal Penetration Of Celecoxib Via Formulation Of Chitosan-Coated Polymeric Nanocapsules**
	Nermin Eleraky, Assiut University,Egypt
03:10 - 03:40	**Title: Formulation Of Shea Butter Nanoparticle Containing Griseofulvin: A Combination Of Antifungal And Anti-Inflammatory Treatments**
	Sidy Mouhamed Dieng, University of Thiès, Senegal
03:40 - 04:10	**Title: Poster Presentation**
	Obembe Oluwafunke, Nigeria
Panel Discussion	
Award Funtion & Closing Cermony
