WELCOME ADDRESS

Dear Attendees,

The Nano Pharmaceuticals 2024 Organizing Committee is absolutely delighted to welcome you to the **6th International Conference and Exhibition on Pharmaceutical Nanotechnology and Nanomedicine** which will be held in **Toronto, Canada** on **March 07-08, 2024,** where we will be shining a spotlight on "NanoRevolution in Healthcare: Advancing Healthcare through Innovative Nanotechnologies". We are looking forward to providing you with a superb environment in which to present, discuss and advance your infectious diseases research. The world class scientific programme will consolidate existing knowledge while at the same time increase your awareness of leading edge and forward looking advances in the field.

The conference is to be held in one of the world's most important vibrant cities in Toronto, Canada It exerts considerable influence on the arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism, and transportation. ABOUT US

About Hosting Organization

Conference Series LLC Ltd is the world's leading specialist in organizing academic, scientific and business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology, Business and many more to promote scientific research.

Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 50+ countries all through the year
- Over 25 Million+ Visitors and 25000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking Add a little bit of body text.

Nano Pharmaceuticals 2024 salient features

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

ABOUT US

Goals & Objectives

- The Nano Pharmaceuticals 2024 aims to bring together leading world's scientific experts, academic professionals, scientists, specialists, researchers, scholars, business delegates and students to exchange and share their experiences and research results on all aspects of Pharmaceutical Nanotechnology and Nanomedicine, Control & Prevention.
- It also provides an interdisciplinary platform for policy makers, community leaders, business activists, scientists and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Pharmaceutical Nanotechnology and Nanomedicine.
- We aim to bring the research and innovations happening across the parts of the globe to facilitate interaction, knowledge sharing and exchange. We also aim to inspire university professors, students, researchers, Scientists and entrepreneurs

About Conference

6th International Conference and Exhibition on Pharmaceutical Nanotechnology and Nanomedicine is among the World's leading Scientific Conference. The two day event on Pharmaceutical Nanotechnology and Nanomedicine will host Major scientific and technical sessions along with the sub-sessions on cutting edge research and latest research innovations in the field of Nanotechnology. To foster the best learning environment we have designed some of the sessions this year for Pharmaceutical Nanotechnology conference which will comprises of 18 major sessions designed to offer comprehensive sessions that address in various fields of Pharmaceutical Nanotechnology.

Besides the attendees can find prestigious plenary and invited lectures, various shorter talks and poster sessions which will give the opportunity to most participants to present their work at the Conference. This congress on Nano Pharmaceuticals provides an opportunity to meet experts, professionals, academicians and researchers from all over the world. Execute new methods or revise existing methods based on best presented facts as presented at **Nano Pharmaceuticals 2024**

ABOUT CONFERENCE

Who Should Attend?

Nano Pharmaceuticals 2024 Conference website is attracting 56000+ Research Scientists, Students, Academic Faculty,Design Engineers, Mechanical engineers, Industrial engineers, Aerospace engineers Architects, Industrialists, Business Entrepreneurs, Manufacturing Devices Companies philosophers and others engaged in endeavors related to Nano technology innovations research and business.

Why to Attend?

- Find out what's new
- Meet experts & influencers face to face
- To present your ideas and work to others
- Networking for future collaborations
- The focus & energy of Like-Minded Individuals
- Fresh way of knowledge transfer
- Learn beyond your field or interest
- Meet, collaborate & get inspired
- Travel and extend your comfort zone

Conference Highlights

- Nanoparticles and Nanomedicine
- Pharmaceutical Nanotechnology
- The Evolution of Nanomedicine with the Re-Evolution of Nanotechnology
- Nanomedicine and Nanobiotechnology
- Advanced Nanomaterials
- Smart Drug Delivery Technology
- Research and Development of Nanomedicine
- Nanoparticles As Precise Drug Delivery Systems
- Polymer Nanoparticles for Nanomedicines
- Advanced Level of Nanotechnology
- Design and Characterization of Nano Drug Systems
- Toxicology of Nanoparticles
- Pharmaceutical Formulations
- Applied Pharmaceutical Science
- Nanobubble in Nanomedicine
- Nanosurgery
