WELCOME ADDRESS

Dear Attendees,

The Nanochemistry 2025 Organizing Committee is absolutely delighted to welcome you to the **5th International Conference on Nano Chemistry & Nano Medicine** which will be held in **May 26-27, 2025** on **Rome, Italy,** where we will be shining a spotlight on *"From Molecules to Miracles: The Impact of Nano Chemistry on Modern Medicine"*.

We are looking forward to providing you with a superb environment in which to present, discuss and advance your Nanoscience research. The world class scientific programme will consolidate existing knowledge while at the same time increase your awareness of leading edge and forward looking advances in the field.

The congress is to be held in the second largest country in the world , occupying roughly the northern two-fifths of the continent of North America. Canada is famous for the gorgeous scenery and uninhabited land. The views of the untouched and natural environment are breathtaking and composed of beautiful lakes and rivers. There are three oceans, mountains, plains, and some of the most attractive cities in the world, like Toronto.

We look forward to seeing/welcoming you in 2025 for an experience of a lifetime.

With Regards
Nanochemistry 2025
Organizing Committee

ABOUT US

About Hosting Organization

Conference Series is the world's leading specialist in organizing academic, scientific and business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology, Business and many more to promote scientific research.

Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 50+ countries all through the year
- Over 25 Million+ Visitors and 25000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking Add a little bit of body text.

Nanochemistry 2025 salient features

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

ABOUT US

Goals & Objectives

- The Nanochemistry 2025 aims to bring together leading world's scientific experts, academic professionals, scientists, specialists, researchers, scholars, business delegates and students to exchange and share their experiences and research results on all aspects of Nanotechnology.
- It also provides an interdisciplinary platform for policy makers, community leaders, business activities, scientists and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Nanotechnology.
- We aim to bring the research and innovations happening across the parts of the globe to facilitate interaction, knowledge sharing and exchange. We also aim to inspire university professors, students, researchers, Scientists and entrepreneurs.

About Conference

5th International Conference on Nano Chemistry & Nano Medicine is among the World's leading Scientific Conference. The two day event on Nanochemistry will host Major scientific and technical sessions along with the sub-sessions on cutting edge research and latest research innovations in the field of Nanochemistry. To faster the best learning environment we have designed some of the sessions this year for Nanochemistry conference which will comprises of 20 major sessions designed to offer comprehensive sessions that address in various fields of Nanochemistry.

Besides the attendees can find prestigious plenary and invited lectures, various shorter talks and poster sessions which will give the opportunity to most participants to present their work at the Congress. This congress on Nanochemistry provides an opportunity to meet experts, professionals, academicians and researchers from all over the world. Execute new methods or revise existing methods based on best presented facts as presented at **Nanochemistry 2025**.

ABOUT CONFERENCE

Who Should Attend?

Nanochemistry 2025 Conference website is attracting 56000+ Research Scientists, Students, Academic Faculty, Design Engineers, Mechanical engineers, Industrial engineers, Aerospace engineers Architects, Industrialists, Business, Entrepreneurs, Manufacturing Devices Companies philosophers and others engaged in endeavors related to Nano technology innovations research and business.

Why to Attend?

- Find out what's new
- Meet experts & influencers face to face
- To present your ideas and work to others
- Networking for future collaborations
- The focus & energy of Like-Minded Individuals
- Fresh way of knowledge transfer
- Learn beyond your field or interest
- Meet, collaborate & get inspired
- Travel and extend your comfort zone

Conference Highlights

- Nanotechnology in Vaccine Development
- Nanotechnology in Battle Against Coronavirus
- Nano Materials Synthesis and Characterisation
- Nanomedicine Against Infectious Diseases
- Nanorobots for Precision Surgery
- Nano-Enabled Diagnostics for Early Detection
- Nanomaterials for Wound Healing
- Nano Medicine
- Personalized Medicine with Nanotechnology
- Nano Biotechnology
- Nano-Biomaterials for Tissue Regeneration
- Quantum Dots in Biomedical Imaging
- Carbon Nanotechnology
- Nanotechnology in Cardiovascular Treatment
- Nano-Optics in Medical Imaging
- Nanotoxicology and Safety
- Nano photonics
- Nano engineering
- Nanotechnology to Cross the Blood-Brain Barrier
- Nano-Enhanced Scaffolds in Regenerative Medicine
- Emerging Trends in Nano Chemistry and Medicine

TESTIMONIALS

The conference was exciting. I enjoyed so much meeting new colleagues at the venue. I would like to express my sincere gratitude to you for your assistance and opportunity. It was a good experience attending this conference.

Magnus S Magnusson
University of Iceland, Iceland

The conference was very successful and staff members were very helpful. Workflow was good. Thank you for organizing the conference for us people.

N. Baydogan
Energy Institute, Istanbul, Turkey

That is excellent. This time, I will encourage my friends and colleagues to attend. I will submit abstracts for the conference too.

Adiguzel Osman
Firat University, Turkey

The organization of the conference was perfect and I was very glad of the warm welcome, of the scientific and human relationships among participants.

Maria Vorobyeva
JINR, Russia

The conference was well organized and the committee was outstanding in keeping the whole event lively.

John McClellan Marshall
Fourteenth Judicial District of Texas, USA

It was wonderful event. I enjoyed presenting my talk. There were questions, comments, and interests in what I presented.

Thomas Prevenslik
QED Radiations, Germany

ABOUT ROME

Rome, the capital of Italy, is renowned for its rich history, iconic landmarks, and vibrant culture, making it one of the world's most famous cities. Known as the "Eternal City," Rome offers a unique blend of ancient and modern attractions that captivate visitors. The city's historical significance is evident in its well-preserved monuments, such as the Colosseum, the Roman Forum, and the Pantheon, which reflect the grandeur of the Roman Empire. The Vatican City, an independent city-state within Rome, is the spiritual heart of the Roman Catholic Church and home to St. Peter's Basilica and the Vatican Museums, where visitors can admire Michelangelo's stunning frescoes in the Sistine Chapel. Rome's artistic heritage extends beyond the Vatican, with countless churches, palaces, and public spaces adorned with masterpieces from the Renaissance and Baroque periods by artists like Raphael, Caravaggio, and Bernini.

Beyond Rome, Italy is famous for its diverse landscapes, rich cultural traditions, and world-renowned cuisine. Each region of Italy offers something unique, from the romantic canals of Venice and the rolling hills of Tuscany to the rugged coastlines of the Amalfi Coast and the ancient ruins of Pompeii. The country is a treasure trove of artistic and architectural wonders, including the medieval towers of San Gimignano, the stunning mosaics of Ravenna, and the breathtaking art collections of Florence. Italy is also celebrated for its culinary heritage, with each region offering its own specialties, from the pasta dishes of Bologna and the seafood of Sicily to the wines of Piedmont and the olive oils of Puglia. Italy's festivals and traditions, such as Venice's Carnival, Siena's Palio, and the many regional food and wine celebrations, further enrich the visitor experience, offering a glimpse into the country's vibrant cultural tapestry. With its combination of history, art, nature, and cuisine, Italy remains a must-visit destination for travelers seeking a truly immersive experience.

REGISTRATIONS

Registration Payment Method:

Payment of registration fees (in EUR, USD & GBP) can be done by the following methods:

- By Credit Card: Visa, MasterCard or American Express
- By Bank Transfer
- By Pay-pal

For group registrations please contact/email us at:
nanochemistry@peer-research.org

Academic

Speaker Registration: € 699
Delegate Registration: € 499
Package A(Registration+ 2 night's accommodation): € 999
Package B(Registration+ 3night's accommodation): € 1099

Business

Speaker Registration : € 749
Delegate Registration:€ 549
Package A(Registration+ 2 night's accommodation): € 1099
Package B(Registration+ 3night's accommodation): € 1199
Exhibitor : € 1799

Student

Student Delegate: € 399
Young Researcher Forum: € 399
Student poster : € 599

Important Dates

Abstract submission opens: July 25, 2024
Registration opens: July 25, 2024
On spot registration: May 26, 2025

Registration Benefits:

- ✓Access to all Sessions
- ✓Handbook & Conference Kit
- ✓Certificate Accreditation from the Organizing Committee
- ✓Abstracts will be published in the conference souvenir and respective international journal
- ✓Each registrant will get 50% abatement on manuscript publication fee
- ✓2 Coffee breaks (Refreshments and snacks) during the conference
- ✓Lunch during the conference
- ✓Wi-Fi access

To register online, please visit:
https://nanochemistry.conferenceseries.com/registration.php
