Invitation

Dear Attendees,

We are glad to announce the **19th International Conference on Nanomaterials and Nanotechnology** to be held in **London, UK** from **March 15-16, 2018** organized by **Conference Series LLC, USA** in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members.

This conference is a unique international platform that's a confluence of all stake holders of the ecosystem – Industry, Academia, Researchers, Innovators, Regulators – coming together to present and discuss current topics in Nano Particles, Nano Electronic devices, Advanced Nanomaterials, Nanotechnology , applications, Nanomaterials Safety and regulations, Nano Scale Materials, Scope of Nanomaterials, Nanomaterials characterisation and synthesis, Insilico nanostructure modelling, Applications of Nanomaterials, Nanotech products, Nanodevices and Systems, Nanomedical Devices, Nanozymes, Biomedical Nanomaterials, Nanomaterials manufacturing technologies, Nano Structures, Materiomics, Characterization and properties of Nanomaterials and will be available to discuss with you the latest issues and trends in ***Exploring advances of Nanomaterial sciences.***

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the Geriatrics Conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to **London** this March.

Sincerely,
Nanomaterials 2018
Organizing Committee

About Us

Our International Open Access Journals

- **700+ Leading**-edge Peer Reviewed Open Access Journals
- **21 Day** Rapid Review Process
- **50000+** Editorial Board Team, **35000+** Reviewers team
- **30 Million Readers** and High Visibility
- **1000+ Scientific Associations** Collaborations
- **100000+** facebook fans Likes
- **Publication** immediately after acceptance
- **Quality and Quick** editorial, review processing

Salient Features

- **Easy to Submit** and Review Systems
- **High Quality** and Fast Publishing Guaranteed
- **Unbiased, quality-oriented,** and transparent reviews
- **Truly impartial recognition** of the best papers
- **Feedback** on the impact of every article
- **Enhanced feature:** Audio version of published paper
- **Digital articles** to share and explore
- **Sharing option:** Social networking enabled
- Authors, reviewers and editors are provided with **scientific credits**
- User friendly/feasible website articles **translations** across more than **50 world languages**

Our International Scientific Conferences

- More than **3000 Conferences** happening across the globe
- Conferences organized in **Medical, Pharma, Engineering, Science, Technology and Business.**
- **CME/CPD Accredited** Conferences fostering professional and Personal development
- **Continuum of education** through organized scientific program
- **Renowned speakers** and scientists representing from **40 countries**
- **Highly Interactive sessions** and Panel Discussions
- **B2B Meetings** offers perfect platform for Global Networking

Salient Features

- **Robust on-line publicity** for all the speakers and organizing committee members
- **Career Guidance** Workshops for students and early career researchers
- **Accepted Abstracts** will be published in various **indexed journals**
- **Accepted abstracts** will be labeled with a **Digital Object Identification Number** (DOI) provided by **Cross Ref**
- **Creation** of speakers and abstracts pages in Google
- **Opportunity** to publish full Manu Scripts in our Open Access Journals

Special Issues : All accepted abstracts will be published inrespective Conference Series LLC Journals

Each abstract will be provided with digital Object Identifier by Crossref

About Conference

Nanomaterials 2018 Conference website is attracting **25000+ Nanotechnology Scientist, Nanotechnology Engineers** online visitors ranging from Researchers, Academicians and Business professionals, who are working in this field. This unique opportunity that we extend to our speakers and attendees is not being offered by any other conference organizers. Through this the abstracts and research profiles of our speakers and organizing committee members getting global visibility which is an additional feature that you would be receiving in addition to networking opportunities before, during and after the conference.

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 30+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

Nanomaterials 2018 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

About Conference

Purpose

19th International Conference on Nanomaterials and Nanotechnology is an arena for interdisciplinary exchange among professionals in the fields of Nanomaterials and Nanotechnology.

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about Nanomaterials and Nanotechnology present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services.

Objectives

After participating in this meeting, attendees should be able to

- Discuss emerging issues in Nanomaterials and Nanotechnology
- Discuss and apply recent research findings related to Nanomaterials and Nanotechnology
- Reflect on the place of critical distance in Nanomaterials and Nanotechnology

About Conference

Who should attend

19th International Conference on Nanomaterials and Nanotechnology is exclusively designed for Nanotechnology which can be understood to involve the manipulation of matter on a near-atomic scale to produce new structures, materials, systems, catalysts, and devices that exhibit novel phenomena and properties. Research is under way on applications in the fields of energy, agriculture, transportation, medicine, computing, electronics, and manufacturing, among others. Breakthroughs in nanotechnology development could enable fabrication of materials at the molecular scale.

About hosting organization

Conference Series is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than **3000+ global events** inclusive of **1000+ Conferences 1000+ Symposiums 1000+ Workshops** in **USA, Europe, Middle East and Asia** with the generous support and cooperation from our **30000+ Editorial Board Members, 1000+ Scientific Societies.** All the conference proceedings are published in the special issues of our **700+ Open Access International Journals** with the **DOI** provided by Crossref

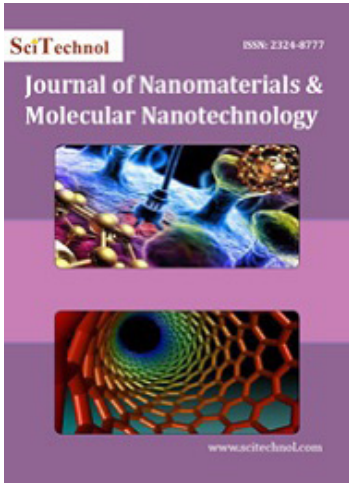

Major sessions

- Nano Particles
- Nano Electronic devices
- Advanced Nanomaterials
- Nanotechnology applications
- Nanomaterials Safety and regulations
- Nano Scale Materials
- Scope of Nanomaterials
- Nanomaterials characterisation and synthesis
- Insilico nanostructure modelling
- Applications of Nanomaterials
- Nanotech products
- Nanodevices and Systems
- Nanomedical Devices
- Nanozymes
- Biomedical Nanomaterials
- Nanomaterials manufacturing technologies
- Nano Structures
- Materiomics
- Characterization and properties of Nanomaterials

About London

London is the capital of England and the United Kingdom. At its centre stand the imposing Houses of Parliament, the iconic 'Big Ben' clock tower and Westminster Abbey, site of British monarch coronations. Across the Thames River, the London Eye observation wheel provides panoramic views of the South Bank cultural complex, and the entire city.

London is a leading global city in the arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism, and transportation. It is crowned as the world's largest financial centre and has the fifth- or sixth-largest metropolitan area GDP in the world. London is one of the leading tourist destinations in the world. It is also the top city in the world by visitor cross-border spending, estimated at US$20.23 billion in 2015. The top 10 most visited attractions were The British Museum, The National Gallery, Natural History Museum (South Kensington), Southbank Centre, Tate Modern , Victoria and Albert Museum, Science Museum, Somerset House, Tower of London , National Portrait Gallery.
