33rd International Conference on

Advanced Nanoscience and Nanotechnology

August 27-28, 2020 | Amsterdam, Netherlan

Invitation

Dear Attendees,

Conference Series LLC Ltd welcomes you to attend the 33rd International Conference on Advanced Nanoscience & Nanotechnology during August 27-28, 2020 Amsterdam, Netherlands. We invite all the participants who are interested in sharing their knowledge and research in the arena of Nanoscience and Nanotechnology.

NanoTech-2020 anticipates more than 100 participants around the globe with thought provoking keynote lectures, oral and poster presentations. The attending delegates include editorial board members of related open access journals.

This is an excellent opportunity for the delegates from universities, institutes and industries to interact with the world class scientists. The intending participants can confirm their participation by registering for the conference along with your colleagues. Avail the delegate early bird offer. The main theme of the conference is **"Latest Advancement in the field of nanotechnology"**

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the NanoTech 2020 to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level. We look forward to personally welcoming you to Amsterdam this April.

Sincerely,

NanoTech-2020

About Us

Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ facebook fans Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manu Scripts in our Open Access Journals

Special Issues : All accepted abstracts will be
published inrespective UK: Conference Series LLC Ltd Journals
Each abstract will be provided with digital Object Identifier by Crossref

About Conference

The NanoTech-2020 conference interacts with members across the globe focused on learning about Nanoscience and Nanotechnology and its Applications. This is the single best opportunity to reach the largest participants. Sharing the knowledge and demonstrations, information and B2B meetings with industrialists and potential clients to make a splash with innovative products live and brand recognition at this event. World-renowned speakers, the most recent techniques, and the latest advancements in Nanoscience are hallmarks of this conference.

NanoTech-2020 salient features

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 30+ countries all through the year
- Over 25 million+ visitors and 20000+unique visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for global networking

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goal of the conference is to provide a transformative professional development experience.
- Bringing together the world's scientific experts to catalyse and advance scientific knowledge about Robotics and regulatory measures present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to elderly population around the world and overcome barriers that limit access to care and services.

About Conference

Objectives

After participating in this meeting, attendees should be able to

- Discuss emerging issues in the field of **Nanoscience and Nanotechnology**
- Discuss and apply recent research findings related to **Nanoscience and Nanotechnology**
- Reflect on the place of critical distance in **Nanoscience and Nanotechnology**

Who should attend

The **Nanoscience and Nanotechnology** conference interacts with members across the globe focused on learning about **Nanotechnology** and its Applications. This is the single best opportunity to reach the largest participants. Sharing the knowledge and demonstrations, information and B2B meetings with industrialists and potential clients to make a splash with innovative products live and brand recognition at this event.

About hosting organization

Conference Series is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

Major Sessions

- Nano Science and Nano Technology
- Nanotechnology in Materials Science
- Application of Nanotechnology
- Nano Robotics
- Molecular Nanotechnology
- Nanomedicine and Nano Biotechnology
- Nanotechnology in Neuroscience and Neuroengineering
- Nanostructures, Nanodevices and Nanosensors
- Nano photonics, Nano Imaging, Spectroscopy & plasmonic devices
- Importance of Nanotechnology in Biosensors
- Nanotechnology in Biology
- Tissue Engineering & Regenerative Medicine
- Nano Pharmaceuticals Cancer Nanotechnology
- Environment, Health and Safety Issues
- Nanotechnology for Biological System
- Nano Biotechnology
- Nanotechnology in Water Treatment

Supporting Journals

- Journal of Nanosciences: Current Research
- Journal of Material Sciences & Engineering
- Global Journal of Technology and Optimization

About Amsterdam

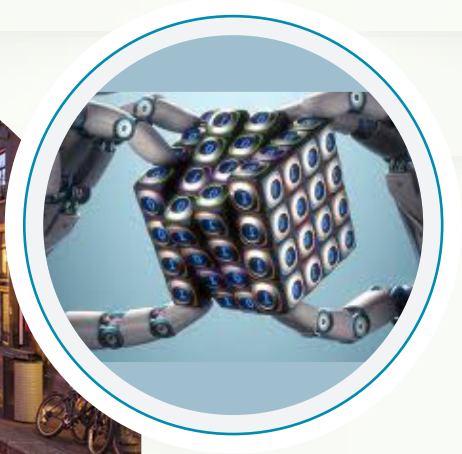

Why Amsterdam?

Amsterdam is the capital and most populated city of the Netherlands, with a population of 866,740 within the city proper, 1,380,872 in the urban area. Amsterdam is in the region of North Holland. Amsterdam is colloquially referred to as the "Venice of the North" due to its huge number of canals which are a UNESCO World Heritage Site.

Amsterdam grew one among the foremost renowned ports within the world within the Dutch Golden Age of the seventeenth century and have become the leading centre for finance and trade. The nineteenth and twentieth centuries, town developed, and lots of new communities and areas were planned and engineered. The capital of The Netherlands securities market is that the oldest securities market within the world. Amsterdam's foremost attractions introduce its historic canals, the Rijksmuseum, the Vincent van Gogh museum, the Stedelijk depository, dwelling house capital of The Netherlands, the Concertgebouw, the Anne Frank House, the Scheepvaartmuseum, the capital of The Netherlands museum, the Heineken expertise, the Royal Palace of capital of The Netherlands, Natura Artis Magistra, Hortus Botanicus capital of The Netherlands, NEMO, the city district and a number of other cannabis low retailers.

Amsterdam is noted for its hazy coffeeshops – the cannabis cafes higher renowned for merchandising bud than production beans – however these feted business operate during a in spades gray area of the law, not least as a result of the sale, production and possession of cannabis is technically embezzled within the European country. even so, coffeeshops square measure allowed to trade marijuana; indeed, they're granted permits to try to to thus.
