ABOUT SWITZERLAND

Switzerland, officially the Swiss Confederation is a landlocked country located in west-central Europe. It is bordered by Italy to the south, France to the west, Germany to the north, and Austria and Liechtenstein to the east. Switzerland is geographically divided among the Swiss Plateau, the Alps and the Jura; the Alps occupy the greater part of the territory, whereas most of the country's nearly 9 million people are concentrated on the plateau, which hosts its largest cities and economic centers, including Zurich, Geneva, and Lausanne. Switzerland is among the world's most developed countries, with the highest nominal wealth per adult and the eighth-highest gross domestic product (GDP) per capita. It performs highly on several international metrics, including economic competitiveness, democratic governance, and press freedom. Zurich, Geneva and Basel rank among the highest in quality of life, albeit with some of the highest costs of living. Switzerland holds an international reputation for its established banking sector and for its specialized industries in watchmaking and chocolate production. Switzerland is a popular tourist destination, drawing 25 million visitors annually for an average of 55 million overnight stays. Tourism contributes significantly to the Swiss economy, generating roughly 3% of the GDP. Popular destinations include Zurich, Geneva, Lucerne, and the Bernese Oberland.
