Plan your Trip to Melbourne

About Melbourne

Melbourne is the capital and most populous city in the Australian state of Victoria, and the second most populous city in Australia and Oceania. Melbourne rates highly in education, entertainment, health care, research and development, tourism and sport, making it the world's most livable city—for the fifth year in a row in 2015

Melbourne Experiences

Discover Melbourne's secret laneways and rooftops, the cultural hub of Federation Square, buzzing bars, boutiques and eateries, and the iconic MCG. Experience St Kilda, the Royal Botanic Gardens, bohemian Brunswick Street and the nation-stopping excitement of the Spring Racing Carnival. Join world class events such as the Australian Grand Prix. Day trip to the Mornington Peninsula or to Phillip Island for fairy penguins.

Melbourne's Snowfields

Experience all the thrill and excitement of Victoria's snowfields. Hit the slopes, unwind in boutique accommodation, and watch the sun set over the stunning Victorian High Country. There's no end of children's activities on offer, including ski-school for all ages and abilities. Get out on the mountain and enjoy everything from skiing and snowboarding to toboggan rides and snow tubing. Explore the Alpine trails on a snow shoe expedition, or just step out the front door of your chalet and join the kids in building a snowman.

Nature and Wildlife

Get outside and find abundant nature and wildlife in Victoria, from desert landscapes to rugged coastline, lush alpine outlooks to inland waterways. Take the time to explore Victoria's diverse natural landscapes and iconic wildlife while you travel. Wander across sand dunes and snow white beaches, trek through lush green rainforests and rugged desert country, while getting up close to the natural inhabitants as you go.
