Major Scientific Sessions

- Neonatology
- Birth Complications & Congenital anomaly
- Neonatal Intensive Care Unit (NICU)
- Neonatal Allergy & Infectious Diseases
- Neonatal Nursing
- Neonatal Neurology
- Neonatal Cardiology
- Neonatal Endocrinology
- Neonatal Gastroenterology
- Neonatal Psychology
- Neonatal Pulmonology
- Neonatal Otorhinolaryngology & Rheumatology
- Neonatal Teeth
- Neonatal Oncology
- Neonatal Hepatology
- Neonatal Nutrition
- Neonatal Hemotology & Nephrology
- Neonatal Trauma & Depression
- Neonatal Surgery
- Neonatal Anesthesia
- Newborn Genetic Screening
- Neonatal Resuscitation
- Neonatal Syndromes
- Neonatal Dermatology
- Neonatal Medications & Vaccines

Best Poster Award

- You will be given about 5-7 minutes to present your poster including questions and answers. Judges may pose questions during the evaluation of the poster
- Judges will even evaluate the student's enthusiasm towards their study, interest and knowledge in the area of their research
- The winners will be announced at the closing ceremony of the conference. The decision of the winner will be withdrawn if the winner/winners is/are not present at the time of announcement
- Apart from the judging time you may also be present at the poster to share your research with interested delegates

Young Researchers Forum

- Present your research through oral presentations
- Learn about career development and the latest research tools and technologies in your field
- This forum will give pertinent and timely information to those who conduct research and those who use and benefit from research
- Develop a foundation for collaboration among young researchers
- The forum will provide an opportunity for collegial interaction with other young investigators and established senior investigators across the globe
- Interact and share ideas with both peers and mentors

Conference Venue
Vancouver, Canada

Vancouver is a most populous city situated on the mainland of British Columbia, Canada and surrounded on 3 sides by water. Vancouver's moderate, oceanic climate makes it one of the warmest cities in Canada. With its scenic views, mild climate, and friendly people, Vancouver is known around the world as both a popular tourist attraction and one of the best places to live, Vancouver is named among top ten of the most liveable cities for 5 consecutive years. As Vancouver is covering a large portion it is third most populous metropolitan area of the country with a population of 603,500 as well as it is most densely populated city of North America after New York, Mexico City and San Francisco. The city of Vancouver is also classified as Beta global city. It is also named among top 5 worldwide cities for livability and quality of life.

Vancouver is also one of the most ethnically and linguistically diverse cities in Canada with 52 percent of the population speaking a first language other than English. Vancouver has hosted many international conferences and events, including the 2010 Winter Olympics and 2010 Winter Paralympics. The City continues to see an excellent return on investments made in the 2010 Winter Games, from sustainable community centers to public art, community involvement, and transportation infrastructure. 2011 was Vancouver's 125th anniversary and year as Cultural Capital of Canada. Vancouver is very green and vibrant city having many symbols and most of the symbols represent our plant life, waterways, wildlife, and mountains.
