The abstract submission deadline for poster competition will be closed one month before the conference date (this is subject to change), hence all are requested to submit their abstracts well in advance.

The abstract should include complete details of the contestant (e.g., abstract title, name, affiliation, abstract and biography etc).

Abstracts have to be submitted through online or by email. Shortlisted abstracts for the competition will be intimated through email and those will be displayed on the website as well.

ABOUT VENUE

The United Arab Emirates, or UAE, is located on the southeast end of the Arabian Peninsula. The country, wedged between Oman and Saudi Arabia, has rocky desert, wetlands, waterless mountains and coastlines that stretch along the Gulf of Oman and the Persian Gulf.Prior to the discovery of oil in the mid-20th century, the UAE's economy was based primarily on fishing and a pearl industry. When oil exports began in the 1960s, the country's economy rapidly transformed. Today, the UAE's per capita gross domestic product is on par with those of leading Western European nations.

Dubai is the largest and most populous city in the UAE. There are approximately 2,780,000 residents from over 200 nationalities, plus countless tourists and traders on any given day! The state-of-the-art technology and infrastructure, tax-free living and a strategic location in the centre of the major trading continents, make Dubai the ideal to place to do business. The by-product of this is a dynamic prosperity—the reason that Dubai is one of the leading luxury holiday destinations in the world! Extravagance abounds in this captivating city-state. There is a rich Arabic culture that underpins local life in the city, but all are welcome and encouraged to explore and enjoy Dubai to the absolute fullest!
