12th Global Summit on Artificial Intelligence and Neural Networks

October 22-23, 2024 Paris, France

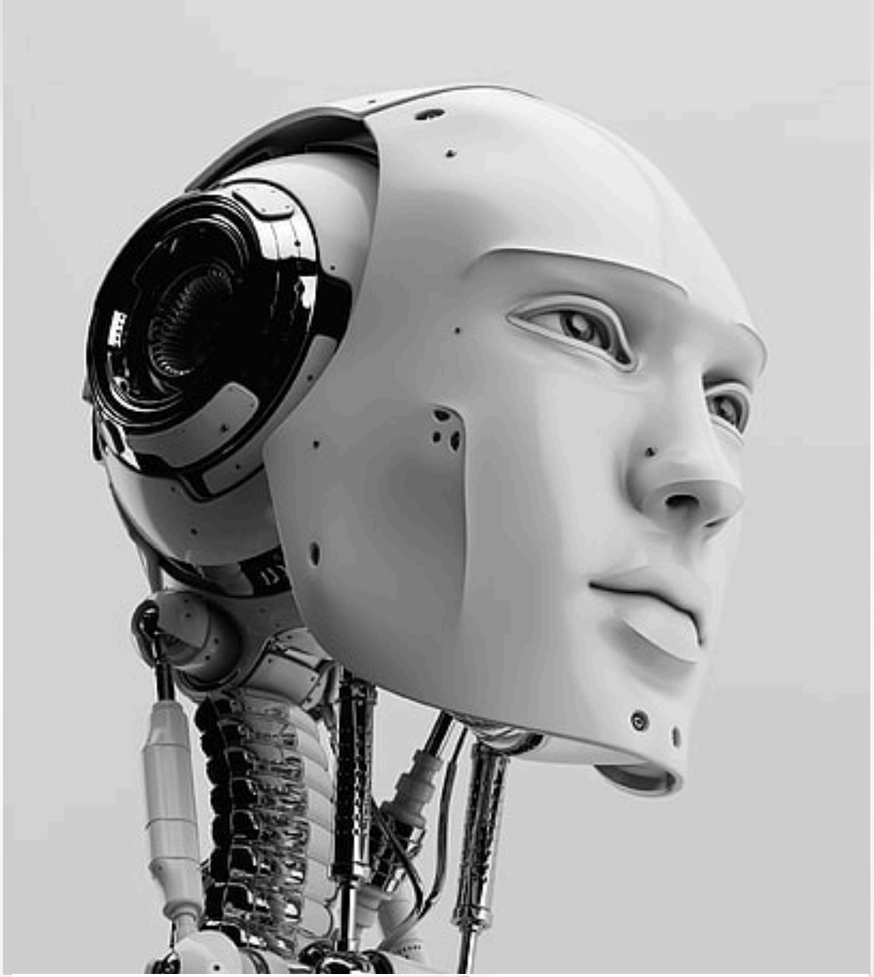

About Conference:

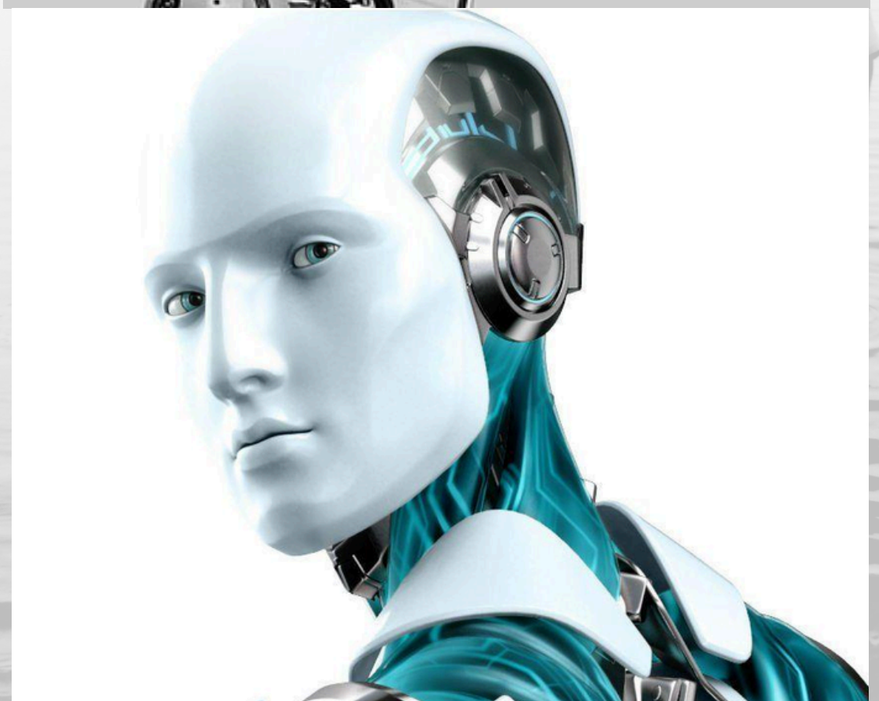

Conference Series welcome all the participants globally to the upcoming conference "12th Global Summit on Artificial Intelligence and Neural Networks" scheduled on October 22-23, 2024 which will take place in Paris, France. The conference mainly focuses on the theme "The Next Evolution in Digital Transformation".

Join us at "Neural Networks 2024" with reasonable packages together with each registration and accommodation for 2 days conference includes oral shows, poster shows, workshops, symposiums and special keynote sessions conducted by eminent and illustrious speakers World Health Organization surpass within the field of AI and Neural Networks, register for this conference with the acceptable choices mentioned within the registration page.

Conference Sessions

- ·The Next Generation of Artificial Intelligence
- ·Development in predictive analytics
- ·Digital avatars
- ·AI ethics
- ·AI for Cyber security
- ·AI in Healthcare
- ·Machine Learning
- ·Robotics and Mechatronics
- ·Bioinformatics
- ·Natural Language Processing
- ·Biometrics
- ·Artificial Intelligence in Music
- ·Web-based training environment
- ·Artificial Neural Networks
- ·Artificial Intelligence in Gaming
- ·Deep Learning
- ·Convolutional neural network model
- ·Cloud Computing
- ·Self-Organizing Neural Networks
- Ambient Intelligencey

Who should attend?

- Researchers and Scientists
- Professors, Engineers and Students
- Smart Innovators
- Architectures
- Software Developers
- Data labelling professionals
- Robotic Technologist
- Computer vision engineers
- Defence Research Professionals
- Artificial Intelligence hardware specialists
- Data protection specialists
- Automation Industry Leaders
- Gaming Professionals
- Managers & Business Intelligence Experts
- Advertising and Promotion Agency Executives
