INVITATION FOR CONFERENCE

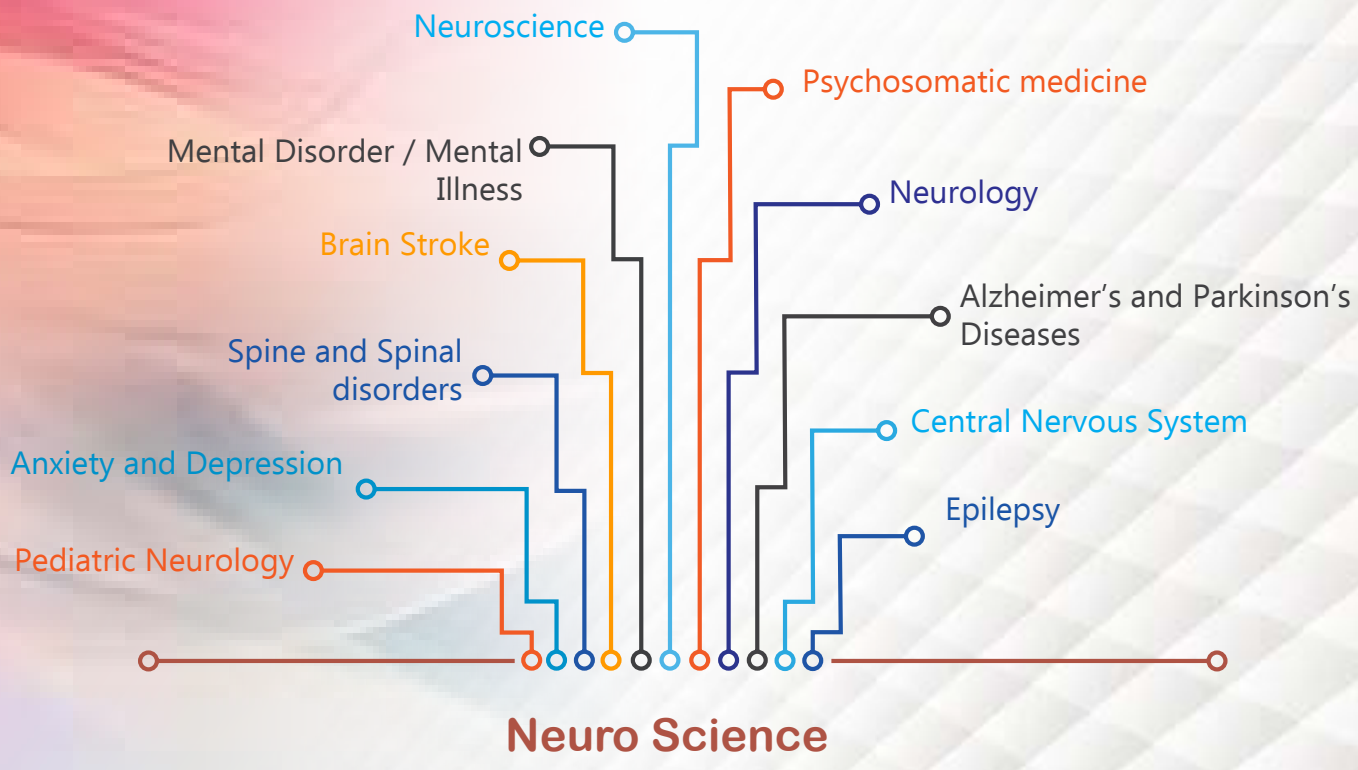

DEAR
COLLEAGUES,

Neuro Science 2024 welcomes you to attend "7th World Conference on Neuroscience" slated to hold on July 15-16, 2024 at London, UK with theme "Neuroscience Advancements A Look into the Future of Brain Research". This International meet (Neuro Science 2024) anticipates hundreds of delegates including keynote speakers, Oral presentations by renowned speakers and poster presentations by students besides delegates around the world. This conference perhaps a giant event that creates an ideal platform to share expertise addressing current technologies involved in Eye and Vision. It will be a wonderful opportunity for all the delegates as it provides an international networking opportunity to collaborate with the world class surgeons.

What's in store for 2024?

Renowned Speakers 2024

Venue & Accommodation

London, UK

London, UK

London, the vibrant core of the United Kingdom, stands at the intersection of heritage and innovation. Embraced by the meandering River Thames, the city harmoniously fuses historical gems with avant-garde architecture. From the majestic Buckingham Palace to the modern marvel of the Shard, London's skyline reflects its diverse character.

The city's neighborhoods, each with a unique personality, present a diverse array of experiences. Whether wandering through the time-honored streets of Covent Garden, exploring the chic boutiques in Shoreditch, or immersing in the cultural mosaic of Brixton, London epitomizes a melting pot of cultures and lifestyles.

As a cultural hub, London hosts prestigious museums like the British Museum and the Tate Modern, drawing art enthusiasts globally. The West End's theaters and the South Bank's riverside offerings underscore the city's deep commitment to the arts.

London's efficient public transport, marked by iconic red buses and the Underground, threads through its urban fabric, seamlessly connecting historic sites with the rhythm of contemporary life.
