World Summit on
Neurology, Neuroscience & Neuropharmacology

September 26-27, 2018 | Montreal, Canada

Dear Friends!!

We are glad to announce the **World Summit on Neurology, Neuroscience & Neuropharmacology** to be held in Montreal, Canada from September 26-27, 2018 organized by Conference Series LLC LTD in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members.

This conference is a unique international platform that's a confluence of all Neurology, Neuropsychiatric, Nursing departments from Academia, Researchers, innovator, Regulators – coming together to present and discuss current topics in and Brain Health, Alzheimer's and Dementia, Neuroscience and Neuroimaging, Neurophysiology and Neurodegeneration, Neurological Disorders and Neuroplasticity, Clinical Trials in Neurology and will be available to discuss with you the latest issues and trends in Overcoming Milestones towards Neurology, Neuroscience and Neuropharmacology under the theme **"Scientific gathering to unwind the conundrum of neurons"**. As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the Conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to Montreal, Canada.

Sincerely,

Neuro Summit 2018 | Organizing Committee

About Conference

Purpose

World Summit on Neurology, Neuroscience and Neuropharmacology is an arena for interdisciplinary exchange among professionals in the fields of Neurology, Neuroscience & Neuropharmacology.

Goals

The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through

Bringing together the world's scientific experts to catalyze and advance scientific knowledge about Neurological Disorders and therapeutics to present the most recent research findings, and promote and enhance scientific collaboration around the world

Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services.

Objectives:

After participating in this meeting, attendees should be able to

- Discuss emerging issues in Neurology, Neuroscience, Neuropharmacology, Rehabilitation, Neuro-Nursing, Neurobiology.
- Discuss and apply recent research findings related to Neurology, Neuoscience, Neuropharmacology, Rehabilitation, Neuro-Nursing, Neurobiology.
- Reflect on the place of critical distance in Neurology, Neuoscience, Neuropharmacology, Rehabilitation, Neuro-Nursing, Neurobiology.

Neuro Summit 2018 salient features:

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers
- Learn powerful tools to improve the functioning and well-eing of your clients
- Initiate, strengthen and master practices that integrate mind, heart, body and spirit
- Learning how to bring mindfulness and compassion into organizations and schools

About Conference

About hosting Organization

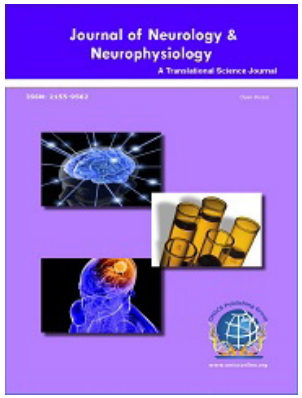

Conference Series LLC LTD is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by crossref

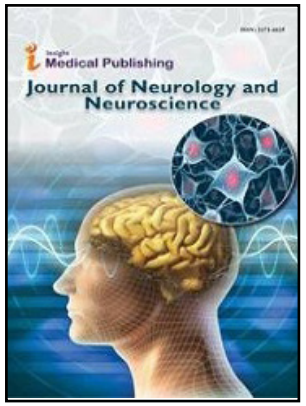

Who should attend?

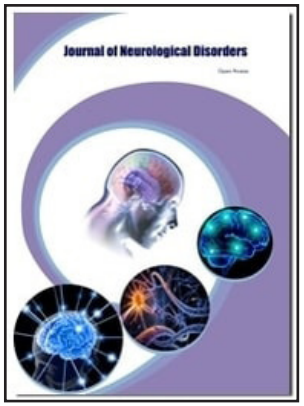

World Summit on Neurology, Neuroscience & Neuropharmacology is exclusively designed for University Professors, Scientists, Psychiatrists, Nurses, Therapists, Pharmacists, Neurologists, Neurosurgeons, Neuroscientists, Stroke Specialists, Nurse Practitioners, Researchers, Academicians, Clinicians, Physicians, Private practitioners, Early Career Scholars, Students, Health Care and Medical professionals along with Industries and others engaged in endeavors related to Brain, Stroke, Neurology, Pharmaceutical research and business, Educators, Parents, Curriculum, Staff Developers, Neurosurgeons, Physicians, Technologists and many more….

Supporting Journals:

- Journal of Neurology & Neurophysiology
- Journal of Neurology and Neuroscience
- Journal of Neurological Disorders

About Conference

Scientific Sessions: Neuro Summit 2018

- Neurodegenerative Disorder
- Cognitive and Behavioral Neurology
- Neurosurgery
- Neuroimmunology
- Neuro-biology
- Neuro-imaging
- Neuro-radiology
- Neural Engineering
- Neuropharmacology and Clinical Neurology
- Pediatric Neurology
- Neuro-nursing
- Neurological Rehabilitation
- Recent research and Case studie

International Membership

International membership program, initiated to accomplish the vision of making Healthcare & Scientific Information which enables academic and research institutions, societies, groups, funding organizations and corporations to actively participate of its representatives and students in International conferences. Membership is now available to Global Universities, Colleges, Scientific Associations and Societies, Organizations, Corporate Companies, Medical Centers and Research Institutes etc.

- **Individual Membership** - for Scientists, Researchers, Educators and Industry professionals
- **Institutional Membership** - for Universities, Research/ Educational institutes, Societies and Associations
- **Corporate Membership** - for Industries, Companies and Corporations
- **Annual Membership:** Membership holder can attend one conference with a complimentary Registration applicable for Package-A category (Registration fee + 2 Nights Accommodation)
- **Three-year Membership:** Membership holder can attend up to 33 conferences Across the Globe with a complimentary Registration applicable for Package-A category.
- **Five-year membership:** Membership holder can attend up to 55 conferences Across the Globe with a complimentary Registration applicable for Package-A category

About Conference

Maximize Your Investment | Promote Your Presence | Increase Traffic to Your Booth.

Book Your Booth Today! Why Exhibit?

Exhibition is perceived for its high quality and remarkable record of pulling consequently exhibitors a seemingly endless amount of time. The occasion likewise conveys a great deal of weight locally and globally and offers remarkable marking presentation in addition to the opportunity to trade thoughts, launch new products and feature best in class administrations and innovations, grow new contacts and work together in a gigantic development market.

The Neuro Summit 2018; Neurology, Neuroscience & Neuropharmacology conference will be held at Montreal, Canada. Exhibiting at Neuro Summit 2018 presents an unrivalled opportunity for companies to establish or further their business interests in one of the world's most dynamic Neurological, Cardiological, Pharmaceutical & Research Technology markets. The purpose of the exhibit program is to further the education of scientists working in the fields. They must emphasize instruments, products, or services for use in teaching or research, books or other publications in scientific fields of relevance to attendees, or directly convey scientific research findings in areas of Brain science and Pharmaceuticals.

For two days, less than one roof, the Exhibit Hall delivers a unique opportunity for exhibitors to connect with thousands in the Neurology, Cardiology, Psychiatry, Stroke, Pharmaceutical and Neuroscience market who seeks products, resources, book publications and information relevant to their work within the fields.

TOP REASONS for visiting the Exhibition Hall

- Networking
- Picking up product information
- Reviewing resources for patients
- Learning about new products
- Discuss Business with Global experts from around the world
- Develop relationships with new prospects and strengthen ties with existing clients
- Raise your company's profile and stay ahead of your competition
- Showcase your latest products and technologies in a high demand region
- Explore business opportunities and meet new partners in dynamic surroundings
- Capitalise on this matchless platform to create sales leads and make lasting relationships with clients
- Meet your customers face-to-face
- Take advantage of discounted conference registration for your company staff.

What do attendees look for?

- Pharmaceuticals
- Diagnostic & Equipment
- Publications, Education and Professional Placement
- Academic Research
- New Technology
- Technology Products / Virtual Reality Systems / Biofeedback Equipment
- Publishers and Test Publishers
- Products and Tools to Help Them as They Begin to Establish Their Career

TESTIMONIALS FROM PAST SPEAKERS

It was a fantastic meeting. Lectures were very illuminating and exciting. I think all the participants had a great time. Thank you giving me this opportunity to be part of this exciting conference.

Harish C.Pant, USA

I did enjoy the conference and meeting others from around the world was a great experience as well

Ann Marie Gillie, Canada

I have thoroughly enjoyed the conference, and I am glad that I have been able to attend and contribute to its success. Presentations were interesting and well prepared. Participants were knowledgeable and active. Overall, it was an interesting and successful conference

Vahe Poghosyan, KSA

It was a great pleasure for me to attend the conference. It was perfectly organized, I met many nice people and listen to many valuable talks.

Elzbieta Jarzebowska, Poland

We would like to thank the Organizing Committee for the outstanding event. It was just excellent in all aspects. Congratulations.

Mauricio Laerte, Brazil

This Conference was one of the best and even brilliant I have ever attended. There was very nice to have a mix between theory, basic science, sharing best practices and practical recommendations. The quality of the panels was outstanding, and I think you arranged a great cross-section of topics!

Sergey Suchkov, Russia

"This conferences is really timely and informed about symptoms, diagnosis and modern treatment of neuro patients".

Heinz Reichmann, Germany

"Your opportunities will include not only excellent science, but provide practical applications of knowledge to advance the care of your patient with cognitive, behavioral and functional decline"

Eric G Tangalos, USA

"The priority aim of this conference is also be to deepen our understanding around the interrelationship of addictive disorder between each other, as well as with mental health, Addiction Psychiatry, family, community and culture"

Norman S Miller, USA

"The meeting went well and lot of questions today! I will attend the meeting again!

Sha MI Biogen, USA

"I wish to welcome all researchers from the fields of basic neuroscience, neurology, and neurosurgery to contribute with your valuable expertise, and to stimulate interdisciplinary endeavor"

Arvid Carlsson, UAE

"Conferences like this one may help to speed up the development of effective therapies for neurodegenerative diseases like Alzheimer's disease"

Andrew V Schally, USA

"As Mayor of London I am delighted to welcome you to the Neurology Conferences organized by Conference Series LLC LTD".

Boris Johnson, UK

"Thank you for a well-organized Brain Disorders Conference"

Hans Von Holst, Sweden

About City

TOURISTS ATTRACTIONS

Montreal is the most crowded district in the area of Quebec and the second-most crowded in Canada. Initially called Ville-Marie, or "City of Mary", it is named after Mount Royal,the triple-crested slope in the core of the city. The city is on the Island of Montreal, which took its name from an indistinguishable source from the city and a couple of considerably littler fringe islands, the biggest of which is Île Bizard. It has a particular four-season mainland atmosphere with warm to sweltering summers and cool cold winters.

In 2016 the city had a populace of 1,704,694.Montreal's metropolitan range had a populace of 4,098,927 and a populace of 1,942,044 in the urban agglomeration, with the majority of the regions on the Island of Montreal included.French is the city's authentic language and is the dialect talked at home by 49.8% of the number of inhabitants in the city, trailed by English at 22.8% and 18.3% different dialects (in the 2016 registration, excluding multi-dialect responses).In the bigger Montreal Census Metropolitan Area, 65.8% of the populace communicates in French at home, contrasted with 15.3% who communicate in English.The agglomeration Montreal is a standout amongst the most bilingual urban areas in Quebec and Canada with more than 59% of the populace ready to talk both English and French.Montreal is the second-biggest basically French-talking city on the planet, after Paris.

Generally the business capital of Canada, it was outperformed in populace and monetary quality by Toronto in the 1970s. It remains an essential focal point of trade, aviation, fund, pharmaceuticals, innovation, plan, training, culture, tourism, gaming, film and world affairs. Being the area of the home office of the International Civil Aviation Organization, Montreal is one of three North American urban communities home to associations of the United Nations (alongside Washington, D.C. furthermore, New York)and furthermore has the second most astounding number of offices in the continent.Montreal was additionally named an UNESCO City of Design.In 2009 Montreal was named North America's driving host city for worldwide affiliation occasions, as indicated by the 2009 preparatory rankings of the International Congress and Convention Association (ICCA).The 2017 release of QS Best Student Cities positioned Montreal as the best city on the planet to be a college student. According to the 2015 Global Liveability Ranking by the Economist Intellige
