INVITATION

NEURO SURGERY 2026

Dear Participants,

Welcome to the 32nd International Conference on Neurosurgery and Brain Disorders, scheduled for October 15–16, 2026 in Madrid, Spain.

Under the theme "Advancing Neuro Care through Innovation and Collaboration," this conference will bring together neurosurgeons, neurologists, researchers, academicians, clinicians, and healthcare professionals from around the world to discuss recent developments, clinical practices, research findings, and emerging technologies in neurosurgery and brain disorders. The program will feature keynote sessions, scientific presentations, and networking opportunities designed to encourage knowledge sharing, professional interaction, and interdisciplinary collaboration.

This conference aims to provide a platform for meaningful discussions that contribute to the advancement of neurological research, treatment strategies, and patient care. We look forward to welcoming you to Madrid for two days of scientific exchange and professional engagement.

Regards,
Edward Harrison | Program Manager
Organizing Committee | Neurosurgery 2026

CONFERENCE HIGHLIGHTS

Track 1: Neurodegenerative Disorders

Track 2: Pediatric Neurosurgery

Track 3: Stroke and Cerebrovascular Disorders

Track 4: Sleep and Cognitive Disorders

Track 5: Artificial Intelligence in Neuroscience

Track 6: Psychiatric and Behavioral Neurology

Track 7: Computational Neuroscience

Track 8: Brain Infections and Neuroinflammation

Track 9: Migraine and Headache Disorders

Track 10: Neuropharmacology and Drug Development

Track 11: Endoscopic Neurosurgery

Track 12: Peripheral Nerve Surgery

Track 13: Physiotherapy in Neurological Disorders

Track 14: Skull Base Surgery

Track 15: Nanotechnology in Neuroscience

Track 16: Patient Safety and Surgical Outcomes

Track 17: Functional and Stereotactic Neurosurgery

Track 18: Spine Disorders and Surgical Innovations

CONFERENCE AGENDA

Oct 15, 2026 | THURSDAY

08:30-09:30	Registrations
09:30-11:30	Keynote Forum
	Group Photo
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Track: Neurodegenerative Disorders
13:00-13:45	Lunch Break**
13:45-16:00	Track: Pediatric Neurosurgery Network & Refreshments Break*
16:00-16:15	Track: Stroke and Cerebrovascular Disorders
16:15-18:00	Track: Artificial Intelligence in Neuroscience

Day Concludes

Oct 16, 2026 | FRIDAY

08:30-09:30	Registrations
09:30-10:30	Keynote Forum
10:30-11:30	Tracks: Psychiatric and Behavioral Neurology
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Tracks: Endoscopic Neurosurgery
13:00-13:45	Lunch Break**
13:45-16:00	Tracks: Physiotherapy in Neurological Disorders
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Tracks: Nanotechnology in Neuroscience

Day Concludes | Award Ceremony

ABOUT VENUE

Madrid, the capital city of Spain, is one of Europe's most vibrant and culturally rich destinations, known for its remarkable history, modern infrastructure, and welcoming atmosphere. As a global center for education, healthcare, research, and innovation, Madrid provides the perfect setting for international scientific conferences and academic networking.

The city beautifully blends historic charm with contemporary excellence. Visitors can explore iconic landmarks such as the Royal Palace of Madrid, Plaza Mayor, Puerta del Sol, and the world-famous Prado Museum, while also experiencing Madrid's lively streets, elegant architecture, and diverse culinary scene.

In addition to its scientific and academic atmosphere, Madrid provides unforgettable cultural experiences, including traditional Spanish cuisine, flamenco performances, art galleries, shopping districts, and vibrant nightlife. Participants attending the conference will have the opportunity to engage in meaningful discussions while enjoying the beauty and energy of one of Europe's most exciting cities.

We are delighted to welcome you to Madrid, Spain, for the 32nd International Conference on Neurosurgery and Brain Disorders, and we look forward to creating a productive, collaborative, and memorable conference experience for all attendees.

REGISTRATION BENEFITS

- Participants will benefit from:
- Exposure to the latest research and clinical advancements
- Opportunities to present research at an international forum
- Interaction with global leaders and experts
- Expansion of professional and academic networks
- Access to conference materials and proceedings
- Certificate of participation and presentation
- Opportunities for collaboration and career development
