36th Conference on

Clinical Neuroscience and Neurogenetics

July 07-08, 2025 | Vancouver, Canada

Theme: New Era in Clinical Neuroscience and Neurogenetics

https://neurogenetics.neuroconferences.com/

INVITATION

Dear Attendees,

We are glad to announce the **"36th Conference on Clinical Neuroscience and Neurogenetics"** to be held in **Vancouver, Canada** on **July 07-08, 2025** organized in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members.

Neurogenetics 2025 aims at sharing new ideas and technologies amongst the professionals, industrialists and students from research areas of Case Reports and it's Research. As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. **"36th Conference on Clinical Neuroscience and Neurogenetics"** amid **July 07-08, 2025** at **Vancouver, Canada**. This consolidates incite keynote presentations, Oral talks, Poster presentations and Exhibitions.

Sincerely,

Neurogenetics 2025

Organizing Committee

ABOUT US

Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manu Scripts in our Open Access Journals

ABOUT CONFERENCES

Conference Series LLC LTD cordially invites you to the 36th Conference on Clinical Neuroscience and Neurogenetics to be held July 07-08, 2025 in Vancouver, Canada. This neurogenetics conference will focus on the theme “New Era in Clinical Neuroscience and Neurogenetics” which provides a platform to discuss oral health and emerging clinical neuroscience and neurogenetics research. It offers a unique and remarkable experience on a global scale to explore innovative technologies in clinical neuroscience and neurogenetics by bringing together leading neurology pioneers from academia and industry to make one outstanding Neurogenetics Conference. The Neurogenetics 2025 Conference provides a global platform for discussion, exchange of ideas which includes quick presentations, oral lectures, poster presentations and exhibitions, symposia, workshops, plenary sessions, a forum for young researchers on the latest technologies in clinical neuroscience and neurogenetics. This Neurogenetics 2025 Conference includes a wide range of Keynote presentations, Plenary talks, Symposia, Workshops, Exhibitions, Poster presentations and Career development programs.

Neurogenetics 2025 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 150+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientist’s representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through.
- Bringing together the world’s scientific experts to catalyze and advance scientific knowledge about International Conference on Case Reports , present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services

ABOUT CONFERENCES

Objectives

- After participating in this meeting, attendees should be able to Discuss emerging issues in Clinical Neuroscience, Neurogenetics and Neurology.
- Discuss and apply recent research findings related to Clinical Neuroscience, Neurogenetics and Neurology.
- Reflect on the place of critical distance in Clinical Neuroscience, Neurogenetics and Neurology Research.

Who should attend?

Academia: Deans, Professors/ Assistant Professors/ Associate Professor, Research Scholars, Scientists and Students related to Clinical Neuroscience, Neurogenetics and Neurology.

Industry: Directors/Senior Directors/Executive Directors, CEO's, Presidents/Vice Presidents, Heads/Leaders, Partners, Research Associates, Research Scientist of Clinical Neuroscience, Neurogenetics, Neurology and Neurosurgery and medical devices industries

Conference Sessions

- Genetics & Neurogenetics
- Neurodegeneration
- Neuroimmunology & Neuroinfection
- Diagnostic Tools and Imaging Technique
- Neurological Rehabilitation & Genetic Counseling
- Alzheimers and Dementia
- Neuropharmacology
- Pediatric Neurology
- Neuro-ophthalmology
- Neuro-Oncology & Neurology
- Neuro Pathology
- Neuro Cardiology & Strokes
- Neuro Chemistry
- Nursing and Neuroscience
- Ataxia
- Neurogenetic Exploration
- Psychiatry and Psychology
- Epilepsy
- Evaluation, Treatment & Management

About hosting organization

Conference Series is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ ScientificSocieties. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by CROSSREF.

ABOUT Vancouver

Vancouver is a vibrant coastal city in British Columbia, Canada, known for its stunning natural beauty, diverse culture, and high quality of life. Surrounded by mountains and the Pacific Ocean, the city offers residents and visitors a unique combination of urban living and outdoor recreation. Vancouver's mild, temperate climate allows for year-round activities like hiking, skiing, and kayaking.

Economically, Vancouver is a major hub for industries such as technology, trade, tourism, and film production, earning it the nickname "Hollywood North." Its port is one of the busiest in North America, facilitating trade between Asia and North America.

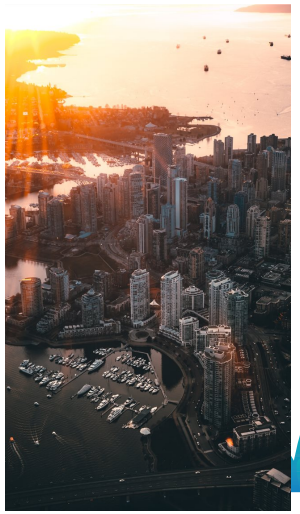

Culturally, Vancouver is incredibly diverse, with significant communities from China, India, the Philippines, and Indigenous groups. This multiculturalism is celebrated through various festivals and is reflected in the city's thriving food scene, known for its seafood and international cuisines.

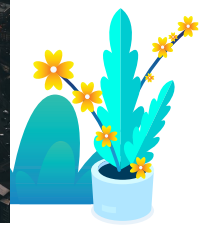

The city has a strong arts and entertainment scene, hosting numerous galleries, theaters, and music venues. Events like the Vancouver International Film Festival and Celebration of Light fireworks display highlight its vibrant cultural life.

In addition to its urban appeal, Vancouver is recognized for its commitment to sustainability and green living, making it one of the most environmentally conscious cities globally.

Academic	
Speaker Registration only	699 USD
Delegate Registration only	599 USD
Video Presentation Registration	399 USD
Business	
Speaker Registration only	799 USD
Delegate Registration only	699 USD
Exhibitor Registration Only	1599 USD
Elite Sponsor	10000 USD
Gold Sponsor	7500 USD
Silver Sponsor	5000 USD
Student	
Young Researcher Forum Registration only	499 USD
Student Poster Registration	399 USD
E-poster	
e-Poster Registration	99 USD
Addon/Others	
Accompanying Person Registration	249 USD

Conference Day 1	
Morning	Registration
	Welcome Ceremony
	Keynote Presentation
	Round Table Panel Discussion
Lunch Breakout	
Afternoon	Speaker Presentation
	Round Table Panel Discussion
	B2B Session

Conference Day 2	
Morning	Keynote Presentation
	Round Table Panel Discussion
	Speaker Presentation
Lunch Breakout	
Afternoon	Speaker Presentation
	Exhibiting Hours
	Networking Session
	Round Table B2B

Note:

The program Schedule is subject to change with final allotment of the speaker slots.
