INVITATION

Dear Attendees,

Conference Series LLC LTD welcomes all members from around the world to join us for our Madness Gathering in Frankfurt, Germany from July 3rd to 4th. The main theme of our conference is "Developing trends and Modern Diagnosis in stroke treatment & prevention", covering an intensive form of key sessions. The conference will explore advances in the field of madness and new treatment techniques being developed by researchers to treat an entirely different disease with a less difficult approach to satisfaction. This conference is considered the best stage for participants to search for this pattern in crazy innovative works.

We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts. Life is full of give and take. Make it count in your professional life. Attend the **Neurological Disorders 2023** to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level. We look forward to personally welcoming you to Conference this **October 2023.**

Sincerely,
Organizing Committee
Neurological Disorders 2023

ABOUT US

Our International Open Access Journals

- **700+** Leading-edge Peer Reviewed Open Access Journals
- **21** Day Rapid Review Process
- **50000+** Editorial Board Team, **35000+** Reviewers team
- **30 Million** Readers and High Visibility
- **1000+** Scientific Associations Collaborations
- **100000+** **Facebook** Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages
- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manu Scripts in our Open Access Journals Special

Special Issues : All accepted abstracts will be published in respective UK: Conference Series LLC Ltd Journals Each abstract will be provided with digital Object Identifier by Crossref

ABOUT CONFERENCE

Neurological Disorders 2023, The main objective is to bring all the leading academic scientists, researchers and research scholars together to exchange and share their experiences and research results about all the aspects of vascular dementia. It also provides the premier interdisciplinary forum for researchers, practitioners and educators to present and discuss the most recent innovations, trends, and concerns, practical challenges encountered and the solutions adopted in the field of vascular dementia Congress . The conference program will cover a wide variety of topics relevant to the vascular dementia, including: research and development of vascular dementia congress , various technologies in World vascular dementia Congress . This unique opportunity that we extend to our speakers and attendees is not being offered by any other conference organizers. Through this the abstracts and research profiles of our speakers and organizing committee members getting global visibility which is an additional feature that you would be receiving in addition to networking opportunities before, during and after the conference.

NEUROLOGICAL DISORDERS 2023 SALIENT FEATURES

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

HOW CONFERENCE SERIES CONFERENCES DIFFERS FROM OTHERS?

- **3000+ Conferences** across the globe in **30+ countries** all through the year
- Over **25 million+ visitors** and **20000+ unique visitors** per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for global networking

GOALS

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goal of the conference is to provide a transformative professional development experience.
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about Chemistry and regulatory measures present the most recent research findings, and promote and enhance scientific collaborations around the world.

ABOUT CONFERENCE

GOALS

After participating in this meeting, attendees should be able to

- Discuss emerging issues in the field of Chemistry
- Discuss and apply recent research findings related to Organic and Inorganic Chemistry.
- Reflect on the place of critical distance in Chemistry

WHO SHOULD ATTEND

9th International Conference on Organic and Inorganic Chemistry, Conferences are exclusively designed for is exclusively designed for Our point is to the corporate network and to make a stage for the trading of data on innovative advancements, new logical modernization and the viability of different administrative projects towards **Inorganic Chemistry 2023.** The use of Molecular Approaches in all parts of the cutting edge Chemistry field. This meeting likewise centers around a wide assortment of momentum look into on sanitation and wellbeing that have both useful and pernicious impacts on the security and nature of nourishments, and are along these lines a worry of general wellbeing.

ABOUT HOSTING ORGANIZATION

Conference Series is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than **3000+ global events** inclusive of **1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia** with the generous support and cooperation from our **30000 + Editorial Board Members, 1000+ Scientific Societies**. All the conference proceedings are published in the special issues of our **700+ Open Access International Journals with the DOI** provided by Crossref

PARTICIPATION OPTIONS

- Speaker (special session): 45-50 minutes (more than 1 can present)
- Speaker (symposium): more than 45 minutes (more than 1 can present)
- Delegate(only registration): will have access to all the sessions with all the benefits of registration
- Poster presenter: can present a poster and enjoy the benefits of delegate
- Remote attendance: can participate via video presentation or e-poster presentation
- Exhibitor: can exhibit his/her company's products by booking exhibitor booths of different sizes
- Media partner
- Sponsor
- Collaborator
