World Congress on Neurology & Neuromuscular Disorders

Germany Frankfurt

We are honoured and delighted to welcome you all to "**World Congress on Neurology and Neuromuscular Disorders**" at **Frankfurt, Germany**. We hope that Frankfurt is a venue that guarantees a successful conference amid the beautiful environment of Frankfurt.

Conference Series brings in a new spin on conferences by presenting the latest scientific improvements in your field. Listen to motivating keynotes from thought leaders, or rub elbows with pioneers across the globe. Frankfurt is all set for an amazing event as Conference Series proudly presents the World Congress on Neurology and Neuromuscular Disorders on **September 13-14, 2018** in Frankfurt, Germany. We cordially welcome Researchers, Academicians, Physicians, Students and Business professionals from around the world to participate in the upcoming **WCNND 2018**.

Agenda 2018

The two day meeting for this year will revolve around the theme "New Innovations with advancement in Neurology & Neuromuscular diseases" thus relaying the most cutting edge findings in the field of Neurology Research. Our scientific program is rich and varied with 30 Session with 120+ Sub sessions, 6 Keynote speech, 200+ technical papers split between 3-4 parallel oral sessions, and 2 poster sessions each day. Beside these workshops and symposiums are co-located. It will also prove to be a brilliant open door for the representatives from Universities and Institutes to cooperate with the world class researchers and an outstanding opportunity for businesses keen at expanding their global market reach.

Best Regards

World Congress on Neurology & Neuromuscular Disorders

Germany Frankfurt

Frankfurt

Frankfurt is the largest city in the German state of Hesse and the fifth-largest city in Germany, with a population of 714,241 (2014) within its administrative boundaries. The urban area called Frankfurt Rhein-Main has a population of 2,221,910. The city is at the centre of the larger Frankfurt Rhine-Main Metropolitan Region which has a population of 5,500,000 and is Germany's second-largest metropolitan region.This old imperial city on the River Main – hence its full name, Frankfurt am Main – is, by virtue of its central situation, the most important commercial and economic center on mainland Europe.

Agenda 2018

Frankfurt is also a centre for commerce, culture, education, tourism and web traffic. Messe Frankfurt is one of the world's largest trade fairs at 578,000 square metres and ten exhibition halls, a central logistics centre and an attached convention centre. Major trade fairs include the Frankfurt Motor Show, the world's largest motor show, and the Frankfurt Book Fair, the world's largest book fair. Frankfurt is also home to many cultural and educational institutions including the Johann Wolfgang Goethe University and Frankfurt University of Applied Sciences, many museums (e.g. Städel, Naturmuseum Senckenberg, Schirn Kunsthalle Frankfurt, Goethe House), and two major botanical gardens, the Palmengarten, which is Germany's largest, and the Botanical Garden of the Goethe University.
