WELCOME ADDRESS

Dear Attendees,

The Neurology Congress 2025 Organizing Committee is absolutely delighted to welcome you to the **39th European Neurology Congress** which will be held in **Paris, France** on **September 15-16, 2025** where we will be shining a spotlight on *"Advancing Neurology: Technology at the Forefront of Neuroscience"*.

We are looking forward to providing you with a superb environment in which to present, discuss and advance your Neurology research. The world class scientific programme will consolidate existing knowledge while at the same time increase your awareness of leading edge and forward looking advances in the field.

The congress is to be held in one of the world's most important global cities London, the City of Light, where the Seine River flows gracefully beneath iconic bridges, and the streets hum with the melody of history and culture. From the majestic Eiffel Tower, standing tall as a symbol of romance and innovation, to the grandeur of the Notre-Dame Cathedral, Paris is a canvas painted with architectural marvels.

We look forward to seeing/welcoming you in 2025 for an experience of a lifetime.

With Regards
Neurology Congress 2025
Organizing Committee

ABOUT US

About Hosting Organization

Conference Series is the world's leading specialist in organizing academic, scientific and business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology, Business and many more to promote scientific research.

Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 50+ countries all through the year
- Over 25 Million+ Visitors and 25000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking Add a little bit of body text.

Neurology Congress 2025 salient features

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

ABOUT US

Goals & Objectives

- The Neurology Congress 2025 aims to bring together leading world's scientific experts, academic professionals, scientists, specialists, researchers, scholars, business delegates and students to exchange and share their experiences and research results on all aspects of Neuroscience.
- It also provides an interdisciplinary platform for policy makers, community leaders, business activists, scientists and educators to present and discuss the most recent innovations, trends and concerns as well as practical challenges encountered and solutions adopted in the fields of Neurology.
- We aim to bring the research and innovations happening across the parts of the globe to facilitate interaction, knowledge sharing and exchange. We also aim to inspire university professors, students, researchers, clinicians and entrepreneurs.

About Conference

39th European Neurology Congress is among the World's leading Scientific Conference. The two day event on Neurology will host major scientific and technical sessions along with the sub-sessions on cutting edge research and latest research innovations in the field of Neurology & its related issues across the globe. To foster the best learning environment we have designed some of the sessions this year for Neurology conference which will comprises of 15 major sessions designed to offer comprehensive sessions that address current issues in various fields of Neuroscience.

Besides the attendees can find prestigious plenary and invited lectures, various shorter talks and poster sessions which will give the opportunity to most participants to present their work at the Congress. This congress on Neurology provides an opportunity to meet experts, professionals, academicians and researchers from all over the world. Execute new methods or revise existing methods based on best presented facts as presented at **Neurology Congress 2025**.

ABOUT CONFERENCE

Who Should Attend?

Neurology Congress 2025 Conference website is attracting 56000+ physicians, Neurologists, Neurosurgeons, Psychiatrists, Neurobiologists, Neuroimmunologists and Members from Neurology Organizations and Societies, Neuro & CNS drug Industries, Neuroscience associations & foundations Pharmaceutical companies, Psychologists, professionals, speakers, professors, business delegates and students.

Why to Attend?

- Find out what's new
- Meet experts & influencers face to face
- To present your ideas and work to others
- Networking for future collaborations
- The focus & energy of Like-Minded Individuals
- Fresh way of knowledge transfer
- Learn beyond your field or interest
- Meet, collaborate & get inspired
- Travel and extend your comfort zone

Conference Highlights

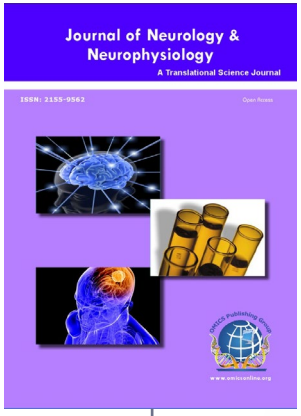

- Neurodegenerative Diseases and Therapeutic Strategies
- Advances in Brain Imaging and Diagnostics
- Neurovascular Disorders and Stroke Prevention
- Cognitive Neuroscience and Alzheimer's Disease
- Artificial Intelligence in Neurology Diagnostics
- Epilepsy: Advances in Management and Research
- Neurogenetics and the Future of Personalized Medicine
- Neurorehabilitation and Recovery Techniques
- Pain Management in Neurological Conditions
- Neurotrauma: Mechanisms and Treatment Options
- Parkinson's Disease and Movement Disorders
- Psychiatric Comorbidities in Neurological Disorders
- Neuropharmacology and Emerging Therapies
- Neuroinflammation and Its Role in Neurological Diseases
- Sleep Disorders and Their Neurological Implications
- Spinal Cord Injury: Advances in Treatment and Regeneration
- Neurosurgical Innovations and Techniques

TESTIMONIALS

The conference was exciting. I enjoyed so much meeting new colleagues at the venue. I would like to express my sincere gratitude to you for your assistance and opportunity. It was a good experience attending this conference.

Amur Margaryan
National Science Laboratory, USA

The conference was very successful and staff members were very helpful. Workflow was good. Thank you for organizing the conference for us people.

Kuang-Hui Chi
National Yunlin University of Science & Technology, Taiwan

That is excellent. This time, I will encourage my friends and colleagues to attend. I will submit abstracts for the conference too.

Sudhanshu Sekhar Panda
University of North Georgia, USA

The organization of the conference was perfect and I was very glad of the warm welcome, of the scientific and human relationships among participants.

Ida PucciMinafra
University of Palermo, Italy

The conference was well organized and the committee was outstanding in keeping the whole event lively.

MouradTayebi
University of Surrey, England

It was wonderful event. I enjoyed presenting my talk. There were questions, comments, and interests in what I presented.

Ram Shanmugam
Texas State University, USA

ABOUT PARIS

Welcome to Paris, the City of Light, where history, science, and innovation converge! Join us for the 15th International Conference on Preventive Medicine & Public Health, set against the breathtaking backdrop of one of the world's most iconic cities. With stunning landmarks like the Eiffel Tower, the Louvre, and Notre-Dame Cathedral, Paris offers an inspiring setting to advance global discussions on preventive healthcare and public health strategies. Beyond the conference sessions, attendees will have the chance to explore the rich culture of Paris, from its world-class museums to the charming streets of Montmartre. As a global hub for research and healthcare, Paris provides the perfect environment for exchanging groundbreaking knowledge and innovative solutions in preventive medicine and public health. The city's renowned medical institutions and forwardthinking atmosphere align seamlessly with the conference's focus on cutting-edge approaches to health promotion, disease prevention, and community well-being. Whether you're strolling along the Seine, enjoying a meal at a quaint café, or discoveringthe vibrant neighborhoods, Paris promises a truly enriching experience. Paris is celebrated for its culinary excellence, offering an array of dining experiences from traditional French cuisine to international delicacies. Savor freshly baked croissants, gourmet meals, and fine wines—every meal in Paris is a celebration of taste and culture. The city is also exceptionally well-connected, with international airports, an efficient metro system, and a wide range of accommodations to suit every preference, ensuring a seamless and enjoyable visit. We invite you to engage in transformative discussions on preventive medicine and public health while immersing yourself in the beauty and cultural wealth of Paris. The city's unique blend of innovation, history, and charm will inspire you both professionally and personally as we collaboratively shape the future of global health.

REGISTRATIONS

Registration Payment Method:

Payment of registration fees (in EUR, USD & GBP) can be done by the following methods:

- By Credit Card: Visa, MasterCard or American Express
- By Bank Transfer
- By Pay-pal

For group registrations please contact/email us at:
neurology@memeetings.com

Academic

Speaker Registartion : Euros 799
Delegate Registration : Euros 699
Package A (Registration + 2 Nights of Accommodation) : Euros 1249
Package B (Registration + 3 Nights of Accommodation) : Euros 1299

Business

Speaker Registration : Euros 849
Delegate Registration : Euros 799
Package A (Registration + 2 Nights of Accommodation) : Euros 1349
Package B (Registration + 3 Nights of Accommodation) : Euros 1449

Student

Student Delegate: Euros 499
Young Researcher Forum: Euros 549

Important Dates

Abstract submission opens: March 06, 2025
Registration opens: March 06, 2025
On spot registration: May 12, 2025

Registration Benefits:

- ✓Access to all Sessions
- ✓Handbook & Conference Kit
- ✓Certificate Accreditation from the Organizing Committee
- ✓Abstracts will be published in the conference souvenir and respective international journal
- ✓Each registrant will get 50% abatement on manuscript publication fee
- ✓2 Coffee breaks (Refreshments and snacks) during the conference
- ✓Lunch during the conference
- ✓Wi-Fi access

To register online, please visit:
