Speaker Testimonials @ Pharma Conferences

The conference was well organised"

Rohini Padma,
Government Degree College, India

It was a good meeting in general"

Uma Sankar,
Indiana University School of Medicine, USA

I thoroughly enjoyed the meeting and want to thank you for giving me an opportunity to present my research"

Amanpreet Singh,
Wright State University Boonshoft School of Medicine, USA

It is my pleasure to announce that the conference was very nice opportunity to be part of this valuable meeting and I meet many researchers from different countries which learned me many aspects about different branches of my specialization. Everything was highly organized and hopes to be part in next meeting with my best regards."

Mufeed J Ewadh
Babylon University, Iraq

Genuinely one of the best conference I've attended. The Conference was inspiring and informative with relevant speakers I found it really insightful and interesting Conference really was very well organized. I wouldn't hesitate to recommend to anyone wanting to get a real understanding of how to approach of our 10th Global Summit on Toxicology and Applied Pharmacology. Thanks for the program. The Chicago City, people and the weather was very fabulous and food was delicious too. I really appreciated the insight that was provided, and the time you took following the session to provide additional feedback. Looking forward for many more opportunities in future and please kindly update me about the upcoming conference. Overall it was a great trip in my life."

K Prasuna
Kakatiya University, India

The conference was very useful. I have found two potential collaborators and had a chance to present my research to the audience that understands and is interested in the area of my expertize. Thanks to the organizers"

Alexei G. Basnakian,
University of Arkansas, USA

I really enjoined the conference"

Gunnar Boysen,
University of Arkansas for Medical Science, USA

It was really a great conference scientifically and also socially with relevant speakers and very well organized.

Alenka Franko
University Medical Centre, Slovenia

I have learned a lot of things from the conference and it contained interesting research works related to toxicology. We have got certificates for presenting the research work. Toxicology 2015 was a very good experience for everyone, especially for the young researchers. Good luck for the upcoming conference!

Baragamaarachchi R Y
University of Colombo, Sri Lanka

I should comment that the Summit was excellent. Hope to help for the organization of next summit as well.!

Marcelo L Larramendy
National University of La Plata, Argentina

Although I couldn't present my study, I could learn a lot from many talks. I hope that the conference has a certain topic and discuss about it together. And I hope to participate in the conference next time.

About City

RICHMOND a best river town in America, the state capital of Virginia, lies on the James River. A city of stunning mountain vistas, beautiful waterfront sunsets and vibrant urban living had history for about 400 years. Richmond has a Warm Temperate Climate and a humid subtropical climate. Richmond offers a wide range of cultural attractions. One of the finest museums in the Southeast, the Virginia Museum of Fine Arts features collections from Europe, the Far East, and America. Other major museums include the Science Museum of Virginia, the Children's Museum, the Edgar Allen Poe Museum, the Valentine Museum and the Museum of the Confederacy. These reflect Virginia's heritage as well as the wonders of the modern age. Richmond has been recognized in recent years for being a "foodie city", particularly for its modern renditions of traditional southern cuisine. Several parks are located along the James River, and the James River Parks System offers bike trails, hiking and nature trails, and many scenic overlooks along the river's route through the city.The Belle Isle pedestrian bridge provides access to the popular 65-acre James River island known for its mountain biking, running, sunbathing and hiking.
