INVITATION

Dear Attendees,

Conference Series welcomes you to attend the **36th World Congress for Neurorehabilitation** which is going to be held on **April 11-12, 2024** in **Amsterdam, Netherlands.** We cordially invite all the participants who are interested in sharing their knowledge and research in the arena of Neurorehabilitation anticipates more than 100 participants around the globe with thought provoking keynote lectures, oral and poster presentations. The attending delegates include editorial board members of related open access journals. This is an excellent opportunity for the delegates from universities, institutes, and industries to interact with the world class scientists. The intending participants can confirm their participation by registering for the conference along with your colleagues. Avail the delegate early bird offer. The main theme of the conference is ***"Empowering Neurorehabilitation Uniting Science Innovation and Compassion".***

As the premier event, we have developed a program with your interests in mind.

We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts. Life is full of give and take. Make it count in your professional life. Attend the **Neurorehabilitation 2024** to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level. We look forward to personally welcoming you to Congress this **April.**

Sincerely,
Organizing Committee
Neurorehabilitation 2024

ABOUT US

Our International Open Access Journals

- **700+** Leading-edge Peer Reviewed Open Access Journals
- **21** Day Rapid Review Process
- **50000+** Editorial Board Team, **35000+** Reviewers team
- **30 Million** Readers and High Visibility
- **1000+** Scientific Associations Collaborations
- **100000+** **Facebook** Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages
- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manu Scripts in our Open Access Journals Special

Special Issues: All accepted abstracts will be published in respective UK: Conference Series Journals Each abstract will be provided with digital Object Identifier by Crossref

ABOUT CONFERENCE

Neurorehabilitation 2024, The main objective is to bring all the leading academic scientists, researchers and research scholars together to exchange and share their experiences and research results about all the aspects of neurology. It also provides the premier interdisciplinary forum for researchers, practitioners and educators to present and discuss the most recent innovations, trends, and concerns, practical challenges encountered and the solutions adopted in the field of Neurology. The conference program will cover a wide variety of topics relevant to the Alzheimer's and Parkinson's Diseases, Neuroimmunology and Neurological Infections, Brain Injury and Behavioral Neuroscience. This unique opportunity that we extend to our speakers and attendees is not being offered by any other conference organizers. Through this the abstracts and research profiles of our speakers and organizing committee members getting global visibility which is an additional feature that you would be receiving in addition to networking opportunities before, during and after the conference.

Neurorehabiliation 2023 SALIENT FEATURES

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

HOW CONFERENCE SERIES CONFERENCES DIFFERS FROM OTHERS?

- **3000+ Conferences** across the globe in **30+ countries** all through the year
- Over **25 million+ visitors** and **20000+ unique visitors** per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for global networking

GOALS

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goal of the conference is to provide a transformative professional development experience.
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about food safety and regulatory measures present the most recent
  research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to elderly population around the world and overcome barriers that limit access to care and services.

ABOUT CONFERENCE

GOALS

After participating in this meeting, attendees should be able to

- Discuss emerging issues in the field of Alzheimer's and Parkinson's Diseases
- Discuss and apply recent research findings related to Neurosurgery and Spine
- Reflect on the place of critical distance in CNS Injury, Repair and Inhibition, Excitation

WHO SHOULD ATTEND

36th World Congress on Neurorehabilitation Conference is exclusively designed for the corporate network and to make a stage for the trading of data on innovative advancements, new logical modernization and the viability of different administrative projects towards **Neurorehabilitation 2024.** The use of Emerging Approaches in all parts of the cutting edge of Neurology field. This meeting likewise centers around a wide assortment of momentum look into on sanitation and wellbeing that have both useful and pernicious impacts on the security and nature of nourishments, and are along these lines a worry of general wellbeing.

ABOUT HOSTING ORGANIZATION

Conference Series is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than **3000+ global events** inclusive of **1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia** with the generous support and cooperation from our **30000 + Editorial Board Members, 1000+ Scientific Societies**. All the conference proceedings are published in the special issues of our **700+ Open Access International Journals with the DOI** provided by

PARTICIPATION OPTIONS

- Speaker (special session): 45-50 minutes (more than 1 can present)
- Speaker (symposium): more than 45 minutes (more than 1 can present)
- Delegate(only registration): will have access to all the sessions with all the benefits of registration
- Poster presenter: can present a poster and enjoy the benefits of delegate
- Remote attendance: can participate via video presentation or e-poster presentation
- Exhibitor: can exhibit his/her company's products by booking exhibitor booths of different sizes
- Media partner
- Sponsor
- Collaborator
- For more details about each mode, kindly contact: *neurorehablitation@meetingsemail.com*

MAJOR SESSIONS

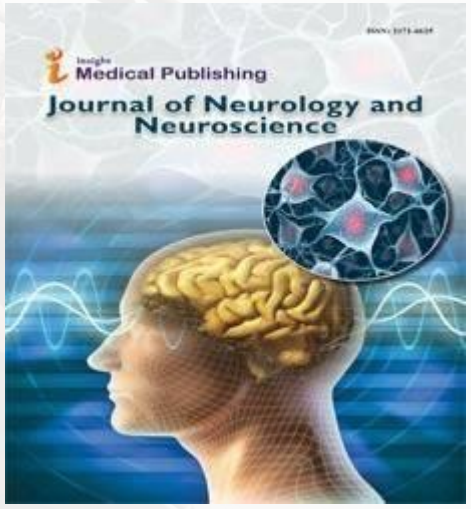

- Alzheimer's and Parkinson's Diseases
- Cognitive Neuroscience and Psychology
- Neurodegenerative diseases and Stress
- Neurological Disorders and Stroke
- Clinical Neurophysiology
- Neuropharmacology and Neurochemistry
- Neuroimmunology and Neurological Infections
- Brain Injury and Behavioral Neuroscience
- Neurosurgery and Spine
- Pediatric Neurology and Epilepsy
- Molecular Genetics and Neurobiology
- Biology of Aging and Neurogenesis
- Molecular and Cell Biology or Neurobiology
- Pediatrics Gastroenterology
- CNS Injury, Repair and Inhibition, Excitation
- Molecular Neuroscience and Neurodegeneration
- Ophthalmology and Visual Neuroscience
- Neuroscience and Artificial Intelligence
- Neuroinformatics and Computational Neuroscience
- Human Brain Mapping or Brain Stimulation and Imaging
- Cerebral Blood Flow and Metabolism
- Brain Pathology and Oncology Research
- Stem Cells Role in Neuro-Biological Treatment and Neurodermatology
- Epidemiology
- Neurorehabilitation
- Movement Disorders and Neuroimmunology
- Neurogenomics and Diabetic neuropathy
