Invitation

Dear Attendees,

The "7th International Conference on Neurology and Psychology" is open to speakers and attendees from all over the world and will be held in Dubai, UAE, on April 18-19, 2024, with the theme Insights of Neurology and Neuroscience related fields.

The optimum conditions for great science, a welcoming environment, and easy focus on the academic interchange of ideas and authoritative viewpoints that encompass the entire spectrum of research in neurology and psychology are provided by NEUROSCIENCE-2024. The goal of Neuroscience 2024 is to bring together neurologists, psychologists, professors, researchers, students, and everyone else who is interested in learning more about how the brain works and psychology from all over the world. This conference offers a great platform for sharing ideas and expertise.

Sincerely,
NEUROSCIENCE-2024

ABOUT US

Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access .
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manu Scripts in our Open Access Journals

ABOUT CONFERENCE

Neuroscience 2024 Scientific Committee is honored to welcome you all to attend 7th International Conference on Neurology and Psychology, which will be held during April 18-19, 2024 at Dubai, UAE. Neuroscience 2024 will raise the most dynamic and latest issues in the field of Mental health & Psychiatry. The Congress will highlight the discussion around the theme "Neuroaesthetics: The Intersection of Art and Brain Science" by bridging the gaps between the intellectuals from across the globe to enlighten their research and findings at Neuroscience 2024. The highlights of the conference includes Neurology Cognitive neuroscience ANeuropsychology, Psychological disorders etc.

NEUROSCIENCE-2024

- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 150+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientist's representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through.
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about 35th Neuroscience present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services

ABOUT CONFERENCE

Who should attend?

Academicians including Professors, PhD Scholars, Neurology Students Industrial Giants, healthcare professionals and the people Associated, Nobel laureates in Neurology, industrialists, doctors, young scientists as well as corporate delegates.

Scientific Sessions

- Neurology
- Cognitive neuroscience
- Neuropsychology
- Psychological disorders
- Neurodegenerative diseases
- Psychology
- Clinical Psychology
- Forensic psychology
- Anxiety Disorders
- Neurological disorders
- Mental Health and Well-being
- Social psychology
- Neurocritical care
- Educational Psychology
- Behavioral Genetics
- Seizures

About hosting organization

Conference Series is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ ScientificSocieties. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by CROSSREF.

Abstract Submission Deadlines:

- The deadline for the first round of abstract submissions is **February 22th, 2024**
- The deadline for the second round of abstract submissions is **March 14th, 2024**
- Final round of abstract submissions is **March 28th, 2024**

Abstract submission link: https://neurology.neurologyconference.com/abstract-submission.php
Registration link: https://neurology.neurologyconference.com/registration.php

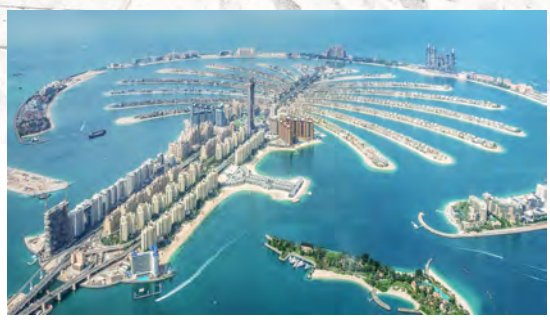

Conference Supporting Journals:

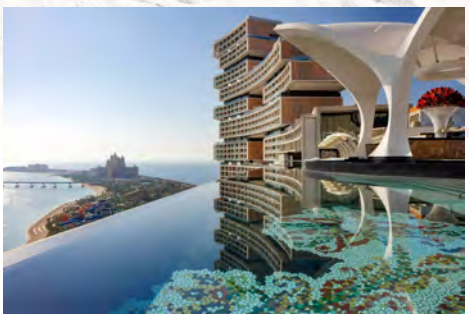

All accepted abstracts will be published in respective Our International Journals.

- **Journal of Clinical Neurology and Neurosurgery**
- **Neurological Disorders**
- **Integrative Neuroscience Research**

VENUE

Dubai, the largest city in the United Arab Emirates, is a dazzling metropolis known for its luxurious shopping, modern architecture, and vibrant nightlife. Often referred to as "Dubai City" to distinguish it from the surrounding emirate, it boasts iconic landmarks such as the Burj Khalifa, a towering 830-meter structure dominating the skyline, and the enchanting Dubai Fountain. Historically, Dubai served as a vital port of call for international traders, particularly Indians, with its roots dating back to 1799. Once recognized for its pearl trade until the 1930s, the city has since evolved into a global symbol of opulence and contemporary living.
