About the conference

Welcome to the premier gathering at the crossroads of “19th Annual Congress on Neuroscience on November 25-26, in Paris,France. The Main theme of our conference is ““Pioneering Discoveries and Future Directions in Neuroscience”” which is a nexus of knowledge, compassion, and progress, where experts and enthusiasts convene to explore the frontiers of brain science and mental health care. Through engaging discussions, ground-breaking research presentations, and hands-on workshops, we aim to catalyse innovation and foster collaboration in our collective mission to advance the understanding, diagnosis, and treatment of Neurological disorders. Join us as we unite to break down barriers, ignite change, and shape the future of mental wellness for generations to come.
