31 st International conference on

Neurology: Neurochemistry, Neuropharmacology andNeurosciences

June 29-30, 2026 | Paris, France

Theme

Innovative Frontiers in Neurology and Neuroscience Research

neurochemistry@theannualmeet.com

INVITATION

Dear Attendees,

We are glad to announce the "31st International Conference on Neurology: Neurochemistry, Neuropharmacology and Neurosciences" to be held in Paris, France on June 29-30, 2026 organized in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members.

Neuroscience Congress 2026 Aims at sharing new ideas and technologies amongst the professionals, industrialists and students from research areas of Neuroscience and it's Research. As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts. Life is full of give and take. Make it count in your professional life.

31st International Conference on Neurology: Neurochemistry, Neuropharmacology and Neurosciences during June 29-30, 2026 at Paris, France. This consolidates invite keynote presentations, Oral talks, Poster presentations, Sponsors and Exhibitions.

Sincerely,

Neuroscience Congress 2026

Organizing Committee

ABOUT US

Our International Open Access Journals

- 700+Leading-edgePeerReviewedOpenAccess Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy toSubmitand Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

- Morethan3000Conferenceshappeningacross the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manu Scripts in our Open Access Journals

ABOUT CONFERENCES

Neuroscience Congress 2026 Scientific Committee is honored to welcome you all to attend 31st International Conference on Neurology: Neurochemistry, Neuropharmacology and Neurosciences which will be held during June 29-30, 2026 at Paris, France. will raise the most dynamic and latest issues in the field of Neuroscience . The Congress will highlight the discussion around the theme "Innovative Frontiers in Neurology and Neuroscience Research" by bridging the gaps between the intellectuals from across the globe to enlighten their research and findings at Neuroscience Congress 2022. The highlights of the conference includes Neurochemistry, Neuropharmacology, Neuroscience, Neurosurgery, Neurological & Neurosurgical Nursing, Neuro Oncology, Neuroimaging in Psychiatry, Neuro Informatics, Stroke & Neurological Disorders, Heart and Brain, Neuro Immunology, Neurological Nursing, Computational Neurology, Clinical Interventions & Case reports, Neurotransmitters and many more.

Neuroscience Congress 2026 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 150+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientist's representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through.
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about Neuroscience , present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services

ABOUT CONFERENCES

Objectives

- After participating in this meeting, attendees should be able to discuss emerging issues in Neuroscience
- Discuss and apply recent research findings related to Neuroscience .
- Reflect on the place of critical distance in Neuroscience Research.

Who should attend?

Academiciansincluding Professors, PhD Scholars, Students carrying out Neuroscience and field studies, Industrial Giants, Neuropharmacologists and the people Associated, Nobel laureates in Neurologists, Neuro Surgeons, Neurochemistry PhD scholars and Many more.

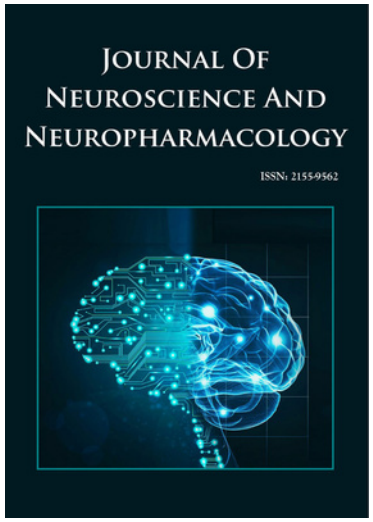

Conference Sessions

- Neurologyand Neuroscience
- Neurochemistry and Neuropharmacology
- Brain Tumors and Neurosurgery
- Alzheimers and Parkinsons disease
- Dementia and Vascular Dementia
- Cognitive Neuroscience and Behavioral neuroscience
- Epilepsy
- Stroke and Neurological Disorders
- Computational Neurology and Neuroinformatics
- Neuro Immunology and Neurological Infections
- Neuro Cardiology
- Neuro-Oncology
- Pediatric Neurology
- Spine and Spinal disorders
- Neuro Opthamology
- Neurophysiology, Neuroimaging and Radiology
- Robotic Neurosurgery
- Neuroplasticity and Neurorehabilitation
- Neurological and Neurological Nursing
- Clinical Interventions & Case Reports

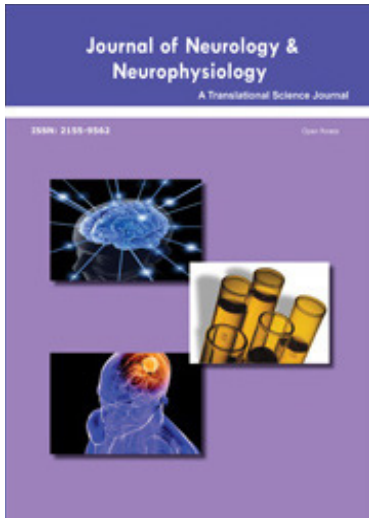

About hosting organization

Conference Seriesis the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ ScientificSocieties. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by CROSSREF.

ABOUT PARIS

Paris, the capital of France, is one of the world's most iconic and captivating cities, renowned for its rich history, cultural heritage, and global influence in art, science, and education. Often referred to as the "City of Light," Paris seamlessly blends historic charm with modern innovation, making it a premier destination for international conferences and academic gatherings.

The city is home to world-famous landmarks such as the Eiffel Tower, Louvre Museum, and Notre-Dame Cathedral, offering visitors a unique cultural experience alongside professional engagements. Its vibrant atmosphere, elegant architecture, and renowned cuisine create an inspiring environment for networking and collaboration.

Paris is also a leading hub for research and innovation, hosting numerous prestigious universities, research institutions, and global organizations. The city provides state-of-the-art conference facilities, excellent hospitality services, and a well-connected transportation system, including international airports and high-speed rail networks, ensuring seamless accessibility for attendees worldwide.

REGISTRATIONS

Registration Payment Method:

Payment of registration fees (in EUR, USD & GBP) can be done by the following methods:

)By Credit Card: Visa, MasterCard or American Express
)By Bank Transfer
)By Pay-pal

For group registrations please contact/email us at: neurochemistry@theannualmeet.com

Academic

Speaker Registration: € 657
Package A (Registration + 2 nights' Accommodation): € 939
Package B (Registration + 3 nights' Accommodation): € 1080

Business

Exhibitor Registration: € 1503
Speaker Registration: €751
Delegate Registration: € 657

Student

Student Delegate: € 281
Young Researcher Forum: € 469

Important Dates

Abstract submission opens: September 28, 2025
Registration opens: September 28, 2025
On spot registration: June 29, 2026

Registration Benefits:

9Access to all Sessions
9Handbook & Conference Kit
9Certificate Accreditation from the Organizing Committee
9Abstracts will be published in the conference souvenir and respective international journal
9Each registrant will get 50% abatement on manuscript publication fee
92 Coffee breaks (Refreshments and snacks) during the conference
9Lunch during the conference
9Wi-Fi access

To register online, please visit:
