24th International Conference on

NEUROSURGERY AND NEUROSCIENCE

Dear colleague,

We are glad to announce the 24th International Conference on Neurosurgery and Neuroscience which is to be held in March 18-20, 2019 Edinburgh, Scotland organized by Conference Series LLC Ltd in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members.

This conference is a unique international platform that's a confluence of all Neurology, Neuroscience, Psychiatry and Nursing Departments from Academia, Researchers, innovator, Regulators – coming together to present and discuss current topics in Heart Failure and Brain Health, Brain Hemorrhage, Alzheimer's and Dementia, Neuroscience and Neuroimaging, Neurophysiology and Neuromodulators, Neurological Disorders and Neuroanesthetic, Clinical Trials in Neurology and will be available to discuss with you the latest issues and trends in Overcoming Milestones towards Neurology and Neuroscience under the theme "Unravel the intriguing conception on Neurosurgery and Neuroscience". As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the Neurosurgery and Neuroscience Conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to Edinburgh, Scotland.

Sincerely,
Neurosurgery 2019
