Best Poster Award

- You will be given about 5-7 minutes to present your poster including questions and answers. Judges may pose questions during the evaluation of the poster
- Judges will even evaluate the student's enthusiasm towards their study, interest and knowledge in the area of their research
- The winners will be announced at the closing ceremony of the conference. The decision of the winner will be withdrawn if the winner/winners is/are not present at the time of announcement
- Apart from the judging time you may also be present at the poster to share your research with interested delegates

Young Researchers Forum

- Present your research through oral presentations
- Learn about career development and the latest research tools and technologies in your field
- This forum will give pertinent and timely information to those who conduct research and those who use and benefit from research
- Develop a foundation for collaboration among young researchers
- The forum will provide an opportunity for collegial interaction with other young investigators and established senior investigators across the globe
- Interact and share ideas with both peers and mentors

About Richmond

Richmond, the capital of Virginia, is among America's oldest major cities. Richmond has woken up from a very long nap – and we like it. The capital of the Commonwealth of Virginia since 1780, and the capital of the Confederacy during the Civil War, it's long been an old-fashioned city clinging too tightly to its Southern roots. But an influx of new and creative young residents is energizing and modernizing the community. The history of Richmond, Virginia, as a modern city, dates to the early 17th century, and is crucial to the development of the colony of Virginia, the American Revolutionary War, and the Civil War. After Reconstruction, Richmond's location at the falls of the James River helped it develop a diversified economy and become a land transportation hub. Today, the 'River City' shares a buzzing food-and-drink scene and an active arts community. The rough-and-tumble James River has also grabbed more of the spotlight, drawing outdoor adventurers to its rapids and trails. Richmond is also an undeniably handsome town and easy to stroll, full of red-brick row houses, stately drives and leafy parks
