# Nursing Care Conference-2024

## About the conference

The 34th World Nursing and Nursing Care Congress, scheduled for November 26-27, 2024, in Paris, France, promises to be a landmark event in the field of nursing and healthcare. This premier conference will bring together leading professionals, researchers, and educators from across the globe to explore the latest advancements, trends, and challenges in nursing and nursing care.

The theme of this year's congress is "Innovations and Best Practices in Nursing: Shaping the Future of Healthcare." Attendees can look forward to a comprehensive program featuring keynote speeches from distinguished leaders in the field, interactive workshops, and panel discussions on a wide range of topics. These include patient-centered care, evidence-based practice, nursing education, and the integration of technology in nursing.

**Theme:** "Recent advancements of research and treatment in the field of nephrology".

## Why to attend the conference

Attending the 34th World Nursing and Nursing Care Congress in Paris on November 26-27, 2024, is an invaluable opportunity for nursing professionals to enhance their knowledge and skills. This congress gathers nursing leaders, practitioners, educators, and researchers from around the globe to share insights on the latest advancements in nursing practice, education, and research. Participants can benefit from a diverse range of presentations, workshops, and panel discussions that cover critical topics such as patient care, healthcare policies, and innovative nursing practices. The event also offers a platform for networking, allowing attendees to connect with peers, exchange ideas, and forge collaborations. Set against the backdrop of Paris, this congress promises not only professional growth but also the chance to experience the rich culture and history of one of the world's most iconic cities.
