Nursing Care Conference-2025

About the conference

The 35th World Nursing and Nursing Care Congress invites nursing professionals, healthcare experts, researchers, and educators to unite in addressing critical healthcare challenges on a global scale. Centered on the theme “Advancing Global Health Through Excellence in Nursing Care,” the conference aims to inspire innovative approaches to patient care and community health.

This event provides a dynamic platform to discuss groundbreaking research, modern technologies, and transformative practices in nursing. From keynote addresses to interactive workshops, the congress will explore topics such as global health initiatives, equitable access to care, and the role of nurses in tackling public health crises.

Attendees will gain insights into strategies for improving healthcare delivery systems, fostering professional development, and enhancing collaboration across multidisciplinary teams. The event also emphasizes the importance of cultural competence and sustainability in nursing practices to address diverse population needs.

Theme: “Recent advancements of research and treatment in the field of nephrology”.
