Dear Friends!!

The Nursing Midwifery 2018 annual meeting offers unparalleled Nursing, networking and business development opportunities. This two-day meeting is so highly regarded that more than 250+ attendees travel from 90 countries to attend and participate – making it the largest educational event in nursing in the world. We're excited to invite you to be part of it.

The goal of the ICNM 2018 is to respond to the changing nursing needs of members whether this is through additional workshops, simulation or electronic media. The attending delegates include Editorial Board Members of related International Journals. This is an excellent opportunity for the attendees from Universities and Institutes to interact with the world class Experts. ICNM 2018 is committed to providing attendees with an amazing experience. The Nursing Midwifery 2018 annual meeting is sure to exceed your expectations in every way. With over 60 nursing sessions that cross 20 clinical tracks, you are invited to participate in seminars, refresher course lectures, panels, pro-con debates, clinical forums, hands-on workshops, scientific abstract posters and presentations, and medically challenging cases. This meeting offers something for everyone.

With Best Regards

Katie Flynn

Program Manager

Nursing Midwifery 2018

Invitation from the Conference Chair

We invite you to complete the Registration to secure your slot at the Nursing Midwifery 2018 Conference to be held at the Hilton New York JFK Airport Hotel, New York, USA during May 23-24, 2018.

TOURISTS ATTRACTIONS

Statue of Liberty

The Statue of Liberty is one of the tourist place attracting millions of visitors every year. The Statue of Liberty was built in 1986, which is a world famous symbol which represents freedom. It is around 152 feet starting from the It is the world's biggest statue around 152 feet tall from the base to the torch end, and weighs around 450,000 pounds. The torch was covered with a thin layer of 24k gold. There are seven rays on liberty crown, which indicates seven continents, which is 9 feet long each and weighing around 150 pounds.

Empire State Building

Alongside the Statue of Liberty, The Empire State Building is New York's most prominent milestone, which is 381 meters tall and represents as tallest building in the world. Empire State Building turned into a point of interest and an image for NYC when it opened in 1931. There are two observatories on the Empire State Building.

Metropolitan Museum of Art

The Metropolitan Museum of Art, was established in 1870.It is also called as Met. It contains more than 2 million gems, incorporate American beautifying expressions, arms and defensive layer, outfits, Egyptian craftsmanship, melodic instruments, and photos, and ,many more. The Cloisters in northern Manhattan is also a part of the Metropolitan Museum of Art which concentrates on the craftsmanship and engineering of medieval Europe.

Rockefeller Center

Rockefeller Center is a huge complex comprising of 19 top business structures between 48th and 51st Streets in New York City. It was announced a National Historic Landmark in 1987.Rockefeller Center is an immense excitement and shopping complex amidst in Manhattan, and home to media like NBC-TV and radios. There is an open air skating arena which is famous in winter.

Brooklyn Bridge

The Brooklyn Bridge, finished in 1883, was the world's initially scaffold to be built of steel. It traverses the East River from Manhattan. The scaffold is an American historic point that has roused eras of artists, lyricists and painters. Architect John Roebling considered the scaffold in 1855 and worked out everything about its two stone towers to its four suspended steel links. The scaffold's development took 14 years, included 600 labourers and cost $15 million (more than $320 million in the present dollars) .

Fifth Avenue

Fifth Avenue has long had notoriety for being New York's chief shopping territory. Many top end originators have their stores situated along Fifth Avenue. Cartier, Tiffany, Bergdorf-Goodman, the popular Apple Store Fifth Avenue, and obviously Saks Fifth Avenue, and additionally numerous others line the elegant road.

Solomon R. Guggenheim Museum

The Solomon R. Guggenheim Museum is home to one of the world's finest accumulations of present day craftsmanship. The novel building, compared to a monster white shell, was planned by Frank Lloyd Wright in 1943. Guests take the lift to the top floor and stroll down the winding slope while seeing artworks. The works of Picasso, Chagall, Modigliani, Kandinsky, Leger, Manet and numerous others are shown.

Wall Street

Extending for 8city obstructs from Broadway to South Street is the world acclaimed Wall Street. This road and the encompassing region are home to the absolute most imperative trades on the planet including the New York Stock Exchange, the NASDAQ, and the New York Mercantile Exchange. Likewise found close-by is the amazing Trinity Church and the Federal Reserve. Money Street is a well-known vacation spot and it is regular to see an expansive number of travellers strolling around extending their necks gazing toward the great high rises.

St Patrick's Cathedral

St. Patrick's Cathedral is one of New York's finest cases of Gothic Revival, with its monstrous bronze entryways (weighing 20,000 lb each), white marble veneer, 330 ft towers, the Great Organ, rose window, bronze baldachin, 2,400 seating limit, and the statue of Pieta along the edge of the Lady Chapel. With more than 5.5 million guests every year, the house of God is a noteworthy goal for devotees and visitors alike. The building was raised in 1879 and has been precisely re-established and kept up all through its reality.

Hilton New York JFK Airport
