4th Global Summit on Nursing Practice

Dec 04-05, 2024

Orlando, USA

Theme: **Exploring innovative uses of Technology in Nursing Education**

INVITATION

Dear Attendees,

We are glad to announce the **"4th Global Summit on Nursing Practice"** to be held in **Orlando, USA** on **December 04-05, 2024** organized in collaboration with generous support and cooperation from enthusiastic academicians and Editorial Board Members. **Nursing Practice 2024** aims at sharing new ideas and technologies amongst the healthcare professionals, nurses and students from research areas of Nursing Practice 2023 and its Research. As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Sincerely,
Nursing Practice 2024
Organizing Committee

Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharm, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers

All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by CROSSREF.

ABOUT ORLAND

Orlando is one of the most-visited cities in the world primarily due to tourism, major events, and convention traffic; in 2018, the city drew more than 75 million visitors. The Orlando International Airport (MCO) is the 13th-busiest airport in the United States and the 29th-busiest in the world. The two largest and most internationally renowned tourist attractions in the Orlando area are the Walt Disney World Resort, opened by the Walt Disney Company in 1971, and located about 21 miles (34 km) southwest of downtown Orlando in Bay Lake, and the Universal Orlando Resort, opened in 1990 as a major expansion of Universal Studios Florida and the only theme park inside Orlando city limits.

With the exception of the theme parks, most major cultural sites like the Orlando Museum of Art and Dr. Phillips Center for the Performing Arts and world-renowned nightlife, bars and clubs are located in Downtown Orlando while most attractions are located along International Drive like the Wheel at ICON Park Orlando. The city is also one of the busiest American cities for conferences and conventions; the Orange County Convention Center is the second-largest convention facility in the United States.
