INVITATION

Dear Attendees,

We are glad to announce the Nursing Technology 2025 is going to be held in Toronto, Canada on August 04-05, 2025 organized in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members. Nursing Technology 2025 aims at sharing new ideas and technologies amongst the professionals, industrialists and students from research areas of Nursing and it's Research. As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Sincerely,

Nursing Technology 2025

Organizing Committee

ABOUT TORONTO

Toronto is the most populous city in Canada. It is an international centre for business and finance and prominent centre for music, theatre, motion picture production, and television production, and is home to the headquarters of Canada's major national broadcast networks and media outlets. It is an industrial and financial capital of Canada. Its varied cultural institutions, which include numerous museums and galleries, festivals and public events, entertainment districts, national historic sites, and sports activities, attract over 43 million tourists each year. Toronto is known for its many skyscrapers and high-rise buildings, in particular the tallest free-standing structure on land in the Western Hemisphere, the CN Tower. The city is home to the Toronto Stock Exchange, the headquarters of Canada's five largest banks, and the headquarters of many large Canadian and multinational corporations. Its economy is highly diversified with strengths in technology, design, financial services, life sciences, education, arts, fashion, aerospace, environmental innovation, food services, and tourism. Toronto is the third-largest tech hub in North America after Silicon Valley and New York City, and the fastest growing.
