ABOUT CONFERENCE

We gladly invite all participants from around the world to join the "5th World Congress on Food and Nutrition," which will be held on April 14-15, 2022 in Singapore City, Singapore. This conference is running around the theme: Healthy food be the Medicine, Great approach to make diseases free World. Scientists from industry and academia, as well as executives from healthcare providers, policymakers, industrialists, and investors, will gather at Asian Conferences to share unique insights into nutri food research and development. Through exhibitions and oral talks by experts in the field, this event will also place a strong emphasis on international cooperation.
