WELCOME ADDRESS

Dear Attendees,

The Nutri-Food Chemistry 2024 Organizing Committee is absolutely delighted to welcome you to the **23rd World Congress on Nutrition and Food Chemistry** which will be held in **Rome, Italy** on **June 13-14, 2024,** where we will be shining a spotlight on ***"Exploring the Novel trends of Nutrition & Food"***.

We are looking forward to providing you with a superb environment in which to present, discuss and advance your Nutrition and Food Chemistry research. The world class scientific programme will consolidate existing knowledge while at the same time increase your awareness of leading edge and forward looking advances in the field.

The congress is to be held in one of the world's most important global cities which stands on the River Thames in southeast England, which is called as London. It exerts considerable influence on the arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism, and transportation. What better place to combine leading edge science with an unsurpassed personal experience.

We look forward to seeing/welcoming you in 2024 for an experience of a lifetime.

With Regards
Nutri-Food Chemistry 2024

ABOUT US

Goals & Objectives

- The Nutri-Food Chemistry 2024 aims to bring together leading world's scientific experts, academic professionals, scientists, specialists, researchers, scholars, business delegates and students to exchange and share their experiences and research results on all aspects of Nutrition and Food Chemistry.
- It also provides an interdisciplinary platform for policy makers, community leaders, business activists, scientists and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Nutrition and Food Chemistry.
- We aim to bring the research and innovations happening across the parts of the globe to facilitate interaction, knowledge sharing and exchange. We also aim to inspire university professors, students, researchers, clinicians and entrepreneurs

About Conference

23rd World Congress on Nutrition and Food Chemistry is among the World's leading Scientific Conference. The two day event on Nutri-Food Chemistry 2024 Congress will host Major scientific and technical sessions along with the sub-sessions on cutting edge research and latest research innovations in the field of Nutri-Food Chemistry & its related issues across the globe. To foster the best learning environment we have designed some of the sessions this year for Infection conference which will comprises of 19 major sessions designed to offer comprehensive sessions that address current issues in various fields of Nutrition and Food Chemistry.

Besides the attendees can find prestigious plenary and invited lectures, various shorter talks and poster sessions which will give the opportunity to most participants to present their work at the Congress. This congress on Nutrition and Food Chemistry. provides an opportunity to meet experts, professionals, academicians and researchers from all over the world. Execute new methods or revise existing methods based on best presented facts as presented at **Nutri-Food Chemistry 2024**.

ABOUT ROME

Rome, Italy, often referred to as the “Eternal City,” is a captivating metropolis that effortlessly marries its rich history with a vibrant contemporary spirit. Nestled in the heart of the Italian peninsula, Rome is a city that has left an indelible mark on the world for over two millennia. The city’s historical significance is omnipresent, with iconic landmarks like the Colosseum, the Roman Forum, and the Pantheon serving as timeless testaments to its glorious past as the center of the Roman Empire. These architectural marvels, dating back to antiquity, draw millions of tourists each year, offering a glimpse into the grandeur of ancient Rome. Beyond its historical treasures, Rome is a living museum of art, culture, and cuisine. The Vatican City, an independent enclave within Rome, houses St. Peter’s Basilica and the Vatican Museums, home to Michelangelo’s masterpiece, the Sistine Chapel ceiling. The city’s cobblestone streets are lined with charming piazzas, ornate fountains, and alfresco cafes, creating an atmosphere that embodies la dolce vita. Rome’s culinary scene is a gastronomic delight, with trattorias and osterias serving up delectable pasta dishes, mouth-watering pizzas, and gelato that rivals any other. A sip of Italian espresso or a glass of wine by the Tiber River provides the perfect accompaniment to this culinary journey.
