WELCOME ADDRESS

Dear Attendees,

The Nutri-Food Chemistry 2025 Organizing Committee is absolutely delighted to welcome you to the **24th World Congress on Nutrition and Food Chemistry** which will be held in **Frankfurt, Germany** on **September 08-09, 2025 ,** where we will be shining a spotlight on ***"Food as Medicine: Bridging Nutrition and Healthcare".***.

We are looking forward to providing you with a superb environment in which to present, discuss and advance your Nutrition and Food Chemistry research. The world class scientific programme will consolidate existing knowledge while at the same time increase your awareness of leading edge and forward looking advances in the field.

The congress is to be held in one of the world's most important global cities which stands on the River Thames in southeast England, which is called as London. It exerts considerable influence on the arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism, and transportation. What better place to combine leading edge science with an unsurpassed personal experience.

We look forward to seeing/welcoming you at Nutri-Food Chemistry 2025 for an experience of a lifetime.

With Regards

ABOUT US

Goals & Objectives

- The Nutri-Food Chemistry 2025 aims to bring together leading world's scientific experts, academic professionals, scientists, specialists, researchers, scholars, business delegates and students to exchange and share their experiences and research results on all aspects of Nutrition and Food Chemistry.
- It also provides an interdisciplinary platform for policy makers, community leaders, business activists, scientists and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Nutrition and Food Chemistry.
- We aim to bring the research and innovations happening across the parts of the globe to facilitate interaction, knowledge sharing and exchange. We also aim to inspire university professors, students, researchers, clinicians and entrepreneurs

About Conference

24th World Congress on Nutrition and Food Chemistry is among the World's leading Scientific Conference. The two day event on Nutri-Food Chemistry 2025 Congress will host Major scientific and technical sessions along with the sub-sessions on cutting edge research and latest research innovations in the field of Nutri-Food Chemistry & its related issues across the globe. To foster the best learning environment we have designed some of the sessions this year for Infection conference which will comprises of 19 major sessions designed to offer comprehensive sessions that address current issues in various fields of Nutrition and Food Chemistry.

Besides the attendees can find prestigious plenary and invited lectures, various shorter talks and poster sessions which will give the opportunity to most participants to present their work at the Congress. This congress on Nutrition and Food Chemistry. provides an opportunity to meet experts, professionals, academicians and researchers from all over the world. Execute new methods or revise existing methods based on best presented facts as presented at **Nutri-Food Chemistry 2025**.

ABOUT FRANKFURT

Frankfurt, officially known as Frankfurt am Main, is one of Germany's most important cities. It is a global financial hub, home to the European Central Bank, the Deutsche Bundesbank, and the Frankfurt Stock Exchange, one of the world's largest trading centers. The city boasts a striking skyline, earning it the nickname "Mainhattan" due to its skyscrapers along the Main River.

Despite its modern image, Frankfurt has a rich history dating back to Roman times. It was once the site of imperial coronations during the Holy Roman Empire. The historic Römerberg square, with its half-timbered houses and the iconic Römer City Hall, reflects the city's medieval past. The Goethe House, birthplace of famous writer Johann Wolfgang von Goethe, is another cultural landmark.

Frankfurt is also known for its diverse cultural scene. It hosts major events like the Frankfurt Book Fair, the world's largest trade fair for books. Museums along the Museum Embankment (Museumsufer), including the Städel Museum and the German Film Museum, offer a deep dive into art and history.

The city is a major transportation hub, featuring one of the busiest airports in Europe, Frankfurt Airport. Its central location makes it a key railway and road junction, facilitating travel across Germany and beyond.

Frankfurt's culinary scene includes traditional Hessian specialties like "Grüne Soße" (green sauce) and "Apfelwein" (apple cider). The city is also a vibrant multicultural hub, home to a large international community.

With its mix of finance, history, culture, and innovation, Frankfurt stands out as a dynamic and influential city in Germany and Europe. Whether for business, travel, or culture, it offers something for everyone.
