About Dubai

Dubai is situated on the Eastern shore of the Arabian Peninsula, in the south west corner of the Arabian Gulf. It is greatly outstanding for its warm friendliness and rich social legacy, and the Emirati individuals are inviting and liberal in their way to deal with guests. With year-round daylight, charming deserts, wonderful shorelines, extravagant lodgings and shopping centres, entrancing legacy attractions and a flourishing business group, Dubai gets a great many relaxation and business guests every year from around the globe. The nearby money is the dirham, which is pegged at AED 3.67 to 1 US dollar. Dubai is tolerant and cosmopolitan and all guests are welcome. Be that as it may, Islam is a lifestyle in the city, and in this manner visitors ought to receive a specific level of social and religious affectability for the length of their remain. Dubai is a city and emirate in the United Arab Emirates known for extravagance shopping, ultramodern engineering and a vivacious nightlife scene. BurjKhalifa, an 830m-tall tower, commands the high rise filled horizon. At its foot lies Dubai Fountain, with planes and lights choreographed to music. On manufactured islands simply seaward is Atlantis, The Palm, a resort with water and marine-creature parks. Dubai is a goal that blends current culture with history, experience with world-class shopping and amusement.
