About the conference

The 29th World Congress on Nutrition and Food Sciences, held on September 15-16, 2025, in Amsterdam, Netherlands, was a landmark event in the fields of nutrition and food sciences. This congress gathered leading experts, researchers, policymakers, and practitioners from across the globe, providing a vibrant platform for the exchange of ground breaking research, innovative ideas, and best practices in nutrition and food science.

With a focus on tackling contemporary challenges in health and nutrition, the congress covered a wide range of topics, from the latest advancements in nutritional science to strategies for promoting sustainable food systems and preventing chronic diseases. Attendees engaged in thought-provoking discussions, participated in interactive workshops, and had ample opportunities to network with peers across diverse disciplines.

Theme: Nutrition for a Resilient World: Advances, Challenges and Opportunities

Why to attend the conference

Attending a Nutrition Science 2025 can offer numerous benefits for professionals, researchers and individuals interested in the field of nutrition. Here are several reasons why you might consider attending a nutritional conference

This conference aim is to provide latest research on Food and Nutrition and to get rid of bad diet from everyone and to share the knowledge on healthy diet, obesity and weight management and also sharing of some food security challenges during pandemic situation.
