Tourist Attractions

Venue

Singapore, an island nation in Southeast Asia lies one degree (137 kilometers (85 mi)) north of the equator, at the southern tip of the Malay Peninsula, with Indonesia's Riau Islands toward the south and Malaysia toward the north. Singapore's region comprises of one primary island alongside 62 different islets. Singapore is a worldwide trade, back and transport center. Singapore is a restorative tourism center; nearly around 200,000 outsiders look for therapeutic care every year. The city features mainly incorporate Gardens by the Bay, Merlion Park, Singapore Flyer, Universal Studios Singapore, Buddha Tooth Relic Temple, Masjid Sultan, Singapore Zoo and Underwater World. The high rises and metros of a cutting edge, rich city with a mixture of Chinese, Malay and Indian impacts and a tropical atmosphere, with delectable nourishment, great shopping and a dynamic night-life scene make an extraordinary stopover to the area. The decent variety of nourishment is touted as motivation to visit the nation, and the assortment of sustenance speaking to various ethnicities is seen by the legislature as an image of its multiculturalism. A tropical rainforest atmosphere is found in Singapore with no separate seasons, uniform temperature and weight, high stickiness, and plenteous precipitation. Temperatures extend from 22 to 35 °C (72 to 95 °F). While temperature does not fluctuate incredibly consistently, there is a wetter storm season from November to January. The normal temperature in the long stretch of August is 24 °C to 30 °C.

Venue:

Holiday Inn Singapore Atrium
317 Outram Rd, Singapore 169075
