Glimpses of Obesity & Nutrition Conferences

Major Scientific Sessions

- Obesity & Weight Management
- Childhood Obesity and Prevention
- Obesity and Diabetes
- Obesity and Heart disease
- Thyroid and Obesity
- Obesity & Associated Health Disorders and Treatments
- Obesity and Oncology
- Vitamins and Dietary Supplements
- Obesity Counselling
- Recent Advances in Obesity
- Food, Nutrition and Body weight
- Clinical Nutrition
- Plant nutrition and Nutraceuticals
- Nutrigenetics and Nutrigenomics
- Sports Nutrition
- Livestock Nutrition
- Animal and Dairy Nutrition
- Nutrition and Cancer
- Advanced Knowledge in Nutrition
- Current Research in Nutrition and Dietetics

Best Poster Award

- You will be given about 5-7 minutes to present your poster including questions and answers. Judges may pose questions during the evaluation of the poster
- Judges will even evaluate the student's enthusiasm towards their study, interest and knowledge in the area of their research
- The winners will be announced at the closing ceremony of the conference. The decision of the winner will be withdrawn if the winner/winners is/are not present at the time of announcement
- Apart from the judging time you may also be present at the poster to share your research with interested delegates

Young Researchers Forum

- Present your research through oral presentations
- Learn about career development and the latest research tools and technologies in your field
- This forum will give pertinent and timely information to those who conduct research and those who use and benefit from research
- Develop a foundation for collaboration among young researchers
- The forum will provide an opportunity for collegial interaction with other young investigators and established senior investigators across the globe
- Interact and share ideas with both peers and mentors

About Baltimore

Baltimore is a major city in Maryland with a long history as an important seaport. Fort McHenry, birthplace of the U.S. national anthem, "The Star-Spangled Banner," sits at the mouth of Baltimore's Inner Harbor. Today, this harbor area offers shops, upscale crab shacks and attractions like the Civil War–era warship the USS Constellation and the National Aquarium, showcasing thousands of marine creatures. Baltimore is in north-central Maryland on the Patapsco River close to where it empties into the Chesapeake Bay. The city is also located on the fall line between the Piedmont Plateau and the Atlantic Coastal Plain, which divides Baltimore into "lower city" and "upper city". The city's elevation ranges from sea level at the harbor to 480 feet (150 m) in the northwest corner near Pimlico.

One of America's Quirkiest Cities, according to Travel & Leisure magazine, Baltimore is also one of America's most welcoming. Come for the spectacular seafood; the cultural extravaganza that is ArtScape; to visit Fort McHenry, home of the Star Spangled Banner, or to walk along the famous Inner Harbor—but there's so much more in B-More

Hit the Inner Harbor

Considered the heart of Baltimore, the Inner Harbor is home to the shops and boutiques of Harbor Place, Fells Point and Harbor East, amazing restaurants, and renowned attractions like the National Aquarium, The American Visionary Art Museum, The Maryland Science Center, Port Discovery Children's Museum, Ripley's Believe It or Not and The Baltimore Museum of Industry. Explore the area by water taxi or walk the 7-mile brick Waterfront Promenade that connects all the action.
