- Neuro-ophthalmology
- Nano-ophthalmology
- Ophthalmic Surgery Practice
- Ophthalmology diagnostic tools
- Benefits of Ophthalmic Surgery
- Surgery in general
- Entrepreneurs Investment Meet

Tourist Attractions

Venue

OSAKA is an assigned city in the Kansai area of Japan. It is the capital city of Osaka Prefecture and the biggest segment of the Keihanshin Metropolitan Area, the second biggest metropolitan region in Japan and among the biggest on the planet with more than 19 million occupants. Organized at the mouth of the Yodo River on Osaka Bay, Osaka is the second greatest city in Japan by daytime masses after Tokyo's 23 wards and the third greatest city by night time people after Tokyo's 23 wards and Yokohama, filling in as a critical money related focus point for the country. Osaka is a popular destination for tourists, who partake in the delicious restaurants, shopping and visiting historic landmarks such as the Osaka Castle and Osaka Aquarium etc. Kansai International Airport is the main airport, which is a rectangular artificial island that sits off-shore in Osaka Bay and serves Osaka and its surrounding cities of Nara, Kobe, and Kyoto. Osaka has a vast number of shopping areas, including malls and a large number of shopping arcades, or roofed shopping streets. Osaka is one of the longest shopping arcades in Japan. Tenjinbashi-suji is from the road approaching the Tenman-gu shrine and continues for 2.6 km, going north to south, and has all kinds of stores including commodities, clothing and catering outlets on both sides of the arcade.. Osaka Japan conferences indeed play a vital role in promoting scientific information and ideas all over the world. It can be considered as a suitable medium for the relocation of valuable knowledge about research and novel advancements worldwide.

You'll fall in love with Japan
