	13.30-15.30	Surgical Ophthalmology	Glaucoma and Orthokeratology
	Speaker Slots Available		
	Coffee/Tea Break 15.30-15.45 (Networking)		
	15.45-18:00	Workshop	

Day 2

	Time	Keynote Session 1	Keynote Session 2
Morning Sessions	09.00-10.30	Clinical Ophthalmology	Pediatric Ophthalmology
	Slots Available		
	Coffee/Tea Break 10.30-10.45 (Networking)		
	10.45-12.45	Cataract and Refractive Surgery	Cornea and Corneal Diseases
	Speaker Slots Available		
	Lunch Break 12.45-13.45		
Evening Sessions	13.45-15.00	Oculoplastic Surgery and Diabetic Retinopathy	Ocular Microbiology and Oncology
	Speaker Slots Available		
	Coffee/Tea Break 15.00-15.15 (Networking)		
	15.15-17.00	Ophthalmic Research and Drug Delivery	Ophthalmology Business/ Practice

Conference Highlights

- Clinical Ophthalmology
- Pediatric Ophthalmology
- Neuro Ophthalmology
- Surgical Ophthalmology
- Glaucoma and Orthokeratology
- Retinal and eye disorders
- Cataract and Refractive surgery
- Cornea and Corneal diseases
- Oculoplastic Surgery and Diabetic Retinopathy
- Ocular Microbiology and Oncology
- Ocular Biomechanics
- Traditional/Herbal/ Ayurvedic Medicine in Ophthalmology
- Nano Ophthalmology
- Vision screening
- Ophthalmology and Optometry meeting
- Optometrists career, training and education
- Ophthalmic research and Drug delivery
- Ophthalmology Business/ Practice

Young Researchers Forum

Eligibility

- Young researcher should actively distribute information and promote the benefits of education and career matters
- Participants should be below the age of 33 years and not to possess any senior position/faculty in the field.

Submission

- Each individual participant can submit only one paper.
- All submissions must be in English.
- The chosen topic must fit into sessions of the congress.
- Showcase your research through oral/poster presentations

Benefits

- This forum will give pertinent and timely information to those who conduct research and those who use and benefit from research
- Learn about career development and the latest research tools and technologies in your field
- Develop a foundation for collaboration among young researchers
- The forum will provide an opportunity for collegial interaction with other young investigators and established senior investigators across the globe
- Interact and share ideas with both peers and mentors

Best Poster Awards

Eligibility

- This competition is open to all students (Graduates, Post Graduates and Research Scholars not above the age of 35).
- Who are not eligible for the Oral Presentation are also welcome to present their poster at the conference.

Judging Criteria

- The judgment will be done by Board of Jury.
- When the competition is being conducted, each participant should be ready in front of his/her poster to answer all questions from the judges.
- You will be given about 5-7 minutes to present your poster including questions and answers. Judges may pose questions during the evaluation of the poster.
- Judges will even evaluate the student's enthusiasm towards their study, interest and knowledge in the area of their research
- The winners will be announced at the closing ceremony of the conference. The decision of the winner will be withdrawn if the winner/winners is/are not present at the time of announcement
- Apart from the judging time you may also be present at the poster to share your research with interested delegates

Tourist Attractions

Venue:

Tokyo is Japan's capital and the largest metropolitan area in the world. It is also one of Japan's 47 prefectures, consisting of 23 central city wards and multiple cities, towns and villages west of the city center. The Izu and Ogasawara Islands are also part of Tokyo. Prior to 1868, Tokyo was known as Edo. A small castle town in the 16th century, Edo became Japan's political center in 1603 when Tokugawa Ieyasu established his feudal government there. A few decades later, Edo had grown into one of the world's most populous cities. With the Meiji Restoration of 1868, the emperor and capital moved from Kyoto to Edo, which was renamed Tokyo ("Eastern Capital").

World's highest Skywalk- the Tokyo Sky tree is the tallest free-standing tower in the world, measuring 634m. The observation deck at 450m is the world's highest skywalk and offers panoramic views of the city. Tokyo is a fascinating city, where the latest trends and the oldest traditions meet. From ancient cherry-blossom festivals to the vibrant Harajuku neighbourhood. Tokyo offers a seemingly unlimited choice of shopping, entertainment, culture and dining to its visitors. The city's history can be appreciated in districts such as Asakusa, and in many excellent museums, historic temples and gardens. Contrary to common perception, Tokyo also offers a number of attractive green spaces in the city centre and within relatively short train rides at its outskirts.

Venue:

Tokyo, Japan
