INVITATION

Dear Attendees,

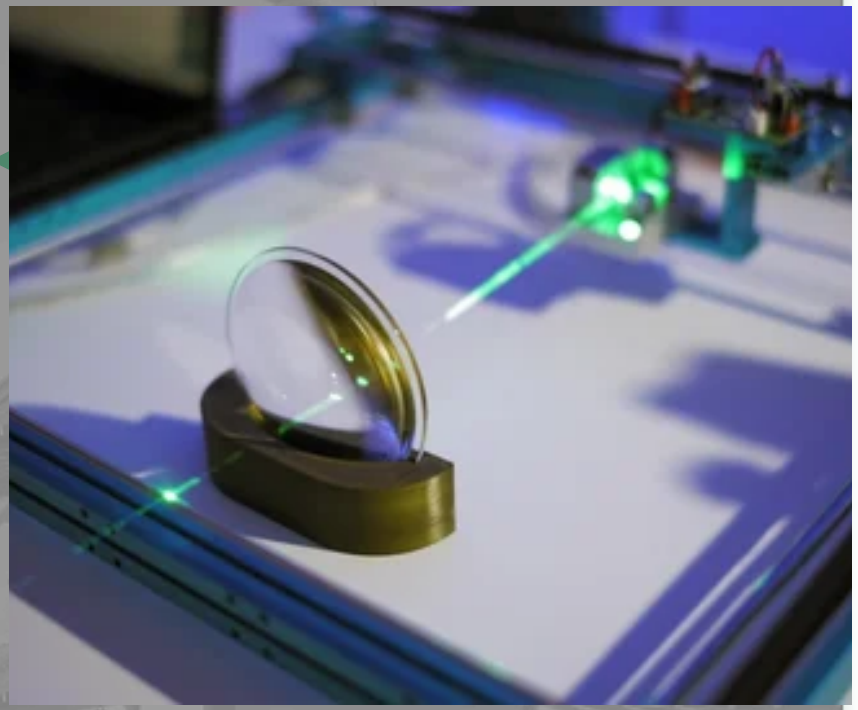

17th International Conference and Exhibition on Lasers, Optics & Photonics extends its welcome to you during August 27-28, 2026 at Zurich, Switzerland with a theme ''**An insight into the Recent Research and cutting-edge Technologies in Lasers, Optics and Photonics**''. Conference Series LLC Ltd Organises 1000+ Conferences Every Year across USA, Europe & Asia with support from 1000 more scientific societies and Publishes 700+ Open access journals which contains over 50000 eminent personalities, reputed scientists as editorial board members. The pioneers in the research field and their exploration works are the major features of the gathering.

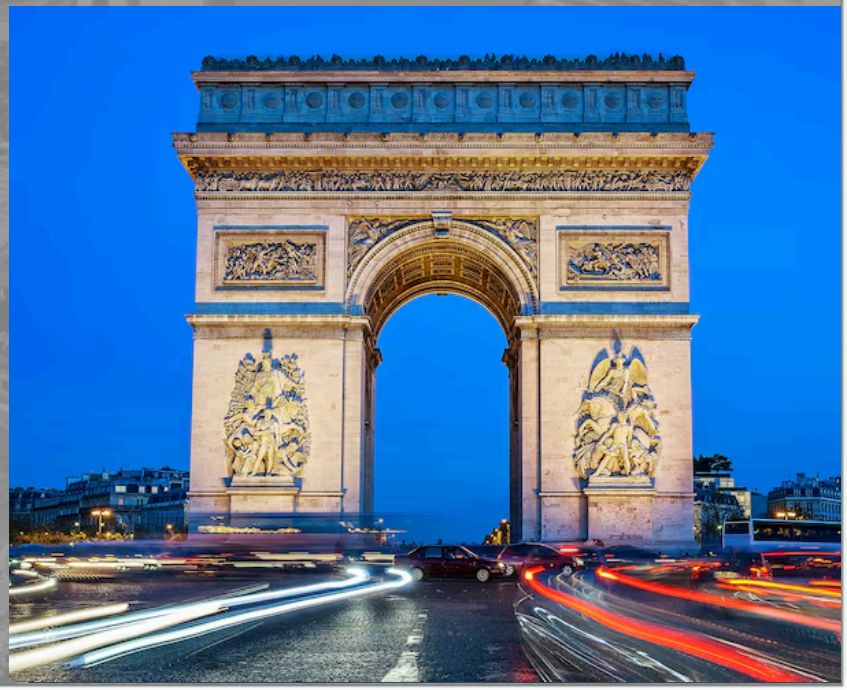

The OPTICS 2026 intends to gather all the people across the globe like students, lecturers, Assistant Professors, Professors, Directors, Chairman, Chancellor, Scientists, Doctors, Managing Directors, Chief Executive Officers, Presidents and Noble Laureates and base a platform for them to share their experience, knowledge and research work, recent advancements in the field of Optoelectronics and Quantum Physics.

Sincerely,

OPTICS 2026

Organizing Committee

OPTICS 2026

about us

Our International Open Access Journals

• 700+ Leading-edge Peer Reviewed Open Access Journals • 21 Day Rapid Review Process • 50000+ Editorial Board Team, 35000+ Reviewers team • 30 Million Readers and High Visibility • 1000+ Scientific Associations Collaborations • 100000+ Likes • Publication immediately after acceptance • Quality and Quick editorial, review processing

Salient Features

• Easy to Submit and Review Systems • High Quality and Fast Publishing Guaranteed • Unbiased, quality-oriented, and transparent reviews • Truly impartial recognition of the best papers • Feedback on the impact of every article • Enhanced feature: Audio version of published paper • Digital articles to share and explore • Sharing option: Social networking enabled • Authors, reviewers and editors are provided with scientific credits • User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

• More than 3000 Conferences happening across the globe • Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.

• CME/CPD Accredited Conferences fostering professional and Personal development

• Continuum of education through organized scientific program • Renowned speakers and scientists representing from 40 countries • Highly Interactive sessions and Panel Discussions • B2B Meetings offers perfect platform for Global Networking

Salient Features

• Robust on-line publicity for all the speakers and organizing committee members

• Career Guidance Workshops for students and early career researchers

• Accepted Abstracts will be published in various indexed journals

• Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref

• Creation of speakers and abstracts pages in Google

• Opportunity to publish full Manu Scripts in our Open Access Journals

about conferences

17th International Conference and Exhibition on Lasers, Optics & Photonics (OPTICS 2026) extends its welcome to you during August 27-28, 2026 at Zurich, Switzerland. with a theme "An insight into the Recent Research and cutting-edge Technologies in Lasers, Optics and Photonics". Conference Series LLC Ltd Organises 1000+ Conferences Every Year across USA, Europe & Asia with support from 1000 more scientific societies and Publishes 700+ Open access journals which contains over 50000 eminent personalities, reputed scientists as editorial board members. The pioneers in the research field and their exploration works are the major features of the gathering.

OPTICS 2026 salient features

• Meet Academia and Industry visionaries to get inspired • Expand your knowledge and find solutions to problems • Knowledge, Benchmarking and Networking offered at one place • Forge connections and for global networking • Highly Organized and Structured Scientific programs • Poster presentations and world class exhibitions • Meet with new vendors and suppliers

How Conference Series Conferences differs from others?

• 3000+ Conferences across the globe in 150+ countries all through the year • Over 25 Million+ Visitors and 20000+ Unique Visitors per conference • Participation by Stalwarts from various international societies • Internationally renowned speakers and scientist's representation • Career guidance for early career researchers and students • Interesting scientific deliberations and discussions • Perfect platform for Global Networking

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through.
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about Optoelectronics and Quantum Physics, present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services.

About Conferences

Objectives

• After participating in this meeting, attendees should be able to Discuss emerging issues in Lasers, Optics & Photonics.

• Discuss and apply recent research findings related to Lasers, Optics & Photonics.

• Reflect on the place of critical distance in Lasers, Optics & Photonics.

Conference Sessions

- Laser Systems
- Optics and Lasers in Medicine
- Optoelectronics
- Optical Communications and Networking
- Advancements in Photonics
- Nano photonics and Bio photonics
- Quantum Science and Technology
- Technologies in Lasers, Optics and Photonics
- Applications and Trends in Optics and Photonics
- Fiber Laser Technology
- Optical Physics
- Optical Fiber
- Surface Enhanced Spectroscopy (SES)

About Hosting Organization

Conference Series is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ ScientificSocieties. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by CROSSREF.

About Zurich

Zurich is Switzerland's largest and most vibrant city, offering an exceptional blend of modern innovation and historic charm—making it an ideal destination for international conferences. Situated along the pristine shores of Lake Zurich and surrounded by the breathtaking Alps, the city provides a picturesque and inspiring setting for academic and professional gatherings.

Renowned as a global hub for finance, research, and technology, Zurich is home to world-class institutions such as ETH Zurich, consistently ranked among the top universities worldwide. This strong academic and industrial presence creates a dynamic environment for knowledge exchange, networking, and collaboration.
The city boasts state-of-the-art conference facilities, excellent connectivity through Zurich Airport, and a highly efficient public transport system, ensuring convenience for international delegates. Beyond the conference halls, attendees can explore the charming streets of the Old Town, enjoy luxury shopping along Bahnhofstrasse, or relax by the scenic lakeside promenades.

Zurich also offers a rich cultural experience, with museums, art galleries, fine dining, and vibrant nightlife. Its commitment to sustainability, safety, and quality of life further enhances its appeal. Combining natural beauty, cutting-edge infrastructure, and cultural richness, Zurich stands out as a premier destination for hosting successful and memorable conferences.
