# Our Programme

Medical doctors, patients, and health care providers consider the prevention of orthopaedic diseases as an essential tool to improve the general health status of the population. The proportions of people suffering from the disease are expected to increase in future according to a recent statistical survey. Sports medicine is one of the most important topics, with members from around the world focused on learning about sports, physical health, and other sports-related activities; this is your single best opportunity to reach the largest assemblage of participants from the sports and health community.

Orthopaedics & Sports Medicine Conference provides a global platform for exchanging ideas and makes us updated about the latest innovations in orthopaedics and sports medicine. It provides an opportunity to attend the presentations delivered by eminent scientists from all over the world.

# Venue & Hospitality

Abu Dhabi is the capital and the second most populated city in the United Arab Emirates. It is also the capital of the emirate of Abu Dhabi, the largest of the seven emirates of the UAE. Abu Dhabi is on a T-shaped island projecting into the Persian Gulf from the central west coast. The rapid development and urbanization of Abu Dhabi, coupled with the relatively high average income of its population, has turned the city into a large, advanced metropolis.

Emirates Palace, Boat Tours, Yas Water World, Yas Marina Circuit, The Corniche, Etihad Towers, Mangrove Kayak, Ferrari World, Observation Deck at 300, Qasr Al-Hosn, Yas Island, Emirates Park Zoo, Saadiyat Cultural District, Village Heritage and Liwa Oasis, Abu Dhabi Falcon Hospital

Currently Abu Dhabi is the center of the country's political and industrial activities, and an important cultural and commercial center, because of its position as capital. The focus on oil exports and trade is reflected in the modern towers and major shopping centers of Skyline such as the Abu Dhabi and Marina shopping centers.

Abu Dhabi International Airport (AUH) is the main aviation hub of the city and the second busiest airport in the UAE. The number of passengers at the Abu Dhabi International Airport increased by 17.2% in 2015, with more than 23 million passengers passing through its terminals during this year. Public transport systems in Abu Dhabi include Abu Dhabi public buses, taxis, ferries and airplanes.
