I thoroughly enjoyed the meeting and want to thank you for giving me an opportunity to present my research"

Amanpreet Singh,
Wright State University Boonshoft School of Medicine, USA

It is my pleasure to announce that the conference was very nice opportunity to be part of this valuable meeting and I meet many researchers from different countries which learned me many aspects about different branches of my specialization. Everything was highly organized and hopes to be part in next meeting with my best regards."

Mufeed J Ewadh
Babylon University, Iraq

Genuinely one of the best conference I've attended. The Conference was inspiring and informative with relevant speakers I found it really insightful and interesting Conference really was very well organized. I wouldn't hesitate to recommend to anyone wanting to get a real understanding of how to approach of our 10th Global Summit on Toxicology and Applied Pharmacology. Thanks for the program. The Chicago City, people and the weather was very fabulous and food was delicious too. I really appreciated the insight that was provided, and the time you took following the session to provide additional feedback. Looking forward for many more opportunities in future and please kindly update me about the upcoming conference. Overall it was a great trip in my life."

K Prasuna
Kakatiya University, India

The conference was very useful. I have found two potential collaborators and had a chance to present my research to the audience that understands and is interested in the area of my expertize. Thanks to the organizers"

Alexei G. Basnakian,
University of Arkansas, USA

I really enjoined the conference"

Gunnar Boysen,
University of Arkansas for Medical Science, USA

It was really a great conference scientifically and also socially with relevant speakers and very well organized.

Alenka Franko
University Medical Centre, Slovenia

I have learned a lot of things from the conference and it contained interesting research works related to toxicology. We have got certificates for presenting the research work. Toxicology 2015 was a very good experience for everyone, especially for the young researchers. Good luck for the upcoming conference!

Baragamaarachchi R Y
University of Colombo, Sri Lanka

I should comment that the Summit was excellent. Hope to help for the organization of next summit as well.!

Marcelo L Larramendy
National University of La Plata, Argentina

Although I couldn't present my study, I could learn a lot from many talks. I hope that the conference has a certain topic and discuss about it together. And I hope to participate in the conference next time.

Hyemin Kim,
NeoEnBiz Co., South Korea

About City

In 1664, the city was named after then Duke of York, and future King of England James II. James had been named by his older brother Charles II as proprietor of the former territory of New Netherlands and its main city of New Amsterdam, which had recently been seized from the Dutch.

New York is perhaps the most storied city in all the world, a hub of culture and commerce, at once brutal and beautiful, ethnically diverse and all-American. Here you will find the skyscraper from which King Kong tumbled, the United Nations Headquarters, and the State of Liberty, who promises to offer shelter to the tired, the poor, and the huddled masses from every corner of the globe.

City Attractions:

- Central Park
- Statue of Liberty
- Empire State Building
- Brooklyn Bridge
- Time Square
- High Line
- Rockefeller Center
- Metropolitan Museum of Art
- One World Trade Center
- Grand Central Terminal
- Top of The Rock
- Charging Bull
