With a focus on Interactivity and Networking, Parkinson 2018 Sponsorship offers many opportunities for Global Engagement. Sponsoring at Parkinson 2018 summit gives rich ground to Pharmaceutical industry benefits since it provides opportunities to extending definitions of disorders to incorporate an ever increasing number of regions of social and individual difficulty. The pharmaceutical industry without a doubt had an essential impact in setting up drug treatment as fundamental to Neurology, Neuroscience and Psychology. In US pharmaceutical company benefits the averaged 18.5% of income contrasted and 2.2% for whatever remains of the Fortune 500 organizations. The alliance amongst psychiatry and the medication industry additionally reinforces the more coercive aspects of Neurology. Considering to make a formidable combination between Neurology, Neuroscience and Psychology and the pharmaceutical industry we are organizing some of our best conferences in USA.

“ Make your value visible”
“Mentors Give You Perspective
Sponsors Give You Opportunities”

Join your peers
WHO DO YOU MEET

- Meet your customers face-to-face
- Take advantage of discounted conference registration for your company staff.

What do attendees look for?

- Pharmaceuticals
- Diagnostic & Equipment
- Publications, Education and Professional Placement
- Academic Research
- New Technology
- Technology Products / Virtual Reality Systems / Biofeedback Equipment
- Publishers and Test Publishers
- Products and Tools to Help Them as They Begin to Establish Their Career

TESTIMONIALS FROM PAST SPEAKERS

It was a fantastic meeting. Lectures were very illuminating and exciting. I think all the participants had a great time. Thank you giving me this opportunity to be part of this exciting conference.

Harish C.Pant, USA

I did enjoy the conference and meeting others from around the world was a great experience as well

Ann Marie Gillie, Canada

I have thoroughly enjoyed the conference, and I am glad that I have been able to attend and contribute to its success. Presentations were interesting and well prepared. Participants were knowledgeable and active. Overall, it was an interesting and successful conference

Vahe Poghosyan, KSA

It was a great pleasure for me to attend the conference. It was perfectly organized, I met many nice people and listen to many valuable talks.

Elzbieta Jarzebowska, Poland

We would like to thank the Organizing Committee for the outstanding event. It was just excellent in all aspects. Congratulations.

Mauricio Laerte, Brazil

This Conference was one of the best and even brilliant I have ever attended. There was very nice to have a mix between theory, basic science, sharing best practices and practical recommendations. The quality of the panels was outstanding, and I think you arranged a great cross-section of topics!

Sergey Suchkov, Russia

"This conferences is really timely and informed about symptoms, diagnosis and modern treatment of neuro patients".

Heinz Reichmann, Germany

"Your opportunities will include not only excellent science, but provide practical applications of knowledge to advance the care of your patient with cognitive, behavioral and functional decline"

Eric G Tangalos, USA

"The priority aim of this conference is also be to deepen our understanding around the interrelationship of addictive disorder between each other, as well as with mental health, Addiction Psychiatry, family, community and culture"

Norman S Miller, USA

"The meeting went well and lot of questions today! I will attend the meeting again!

Sha MI Biogen, USA

"I wish to welcome all researchers from the fields of basic neuroscience, neurology, and neurosurgery to contribute with your valuable expertise, and to stimulate interdisciplinary endeavor"

Arvid Carlsson, UAE

"Conferences like this one may help to speed up the development of effective therapies for neurodegenerative diseases like Alzheimer's disease"

Andrew V Schally, USA

"As Mayor of London I am delighted to welcome you to the Neurology Conferences organized by Conference Series LLC Ltd".

Boris Johnson, UK

"Thank you for a well-organized Brain Disorders Conference"

Hans Von Holst, Sweden

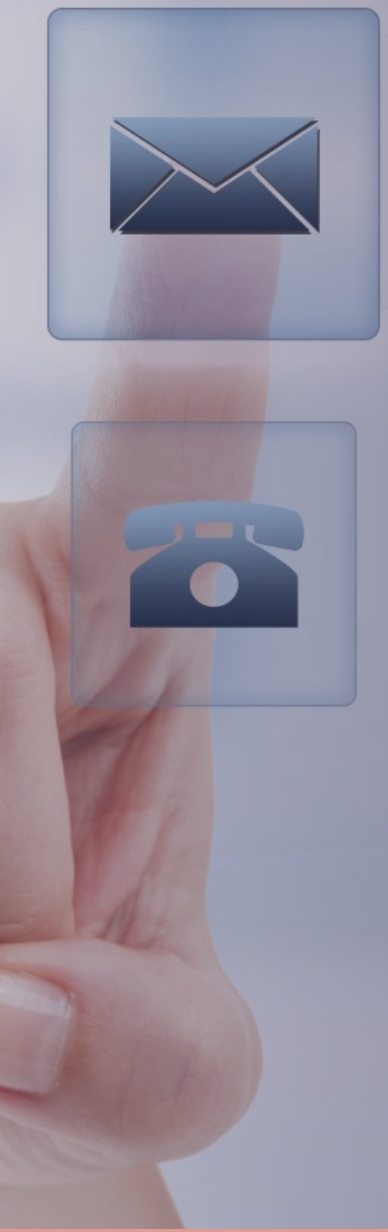

About City

Tourists Attractions
