Patient Safety 2017

Invitation

Conference Series LLC welcomes you to attend the ***World Congress on Patient Safety & Quality Healthcare*** *during* ***September 07-09, 2017 London, UK****.*

We cordially invite all the participants who are interested in sharing their knowledge and research in the arena of Patient Safety & Quality Healthcare.

Patient Safety 2017 anticipates more than 200 participants around the globe with thought provoking Keynote lectures, Oral and Poster presentations. The attending delegates include Editorial Board Members of related Conference Series LLC Journals.

This is an excellent opportunity for the delegates from Universities and Institutes to interact with the world class Scientists.

The intending participants can confirm their participation by registering for the conference along with your colleagues. Avail the delegate early bird offer.

The main theme of the conference is ***"Consolidating Knowledge to Improve Patient Safety & Quality Care"***

Regards,
Patient Safety 2017
Organizing Committee

Patient Safety 2017

Patient Safety

This year, we'll host the event in beautiful city London, UK.

Conference Highlights

- General Patient Safety
- Home Care Category
- Infections
- Prevention & Control (IPAC)
- Medication Safety
- Surgical Care Safety
- Safety
- Other Patient Care Safety
- Hospital-Acquired Infections
- Patient Safety in Paediatrics & Geriatrics
- Women's Health & Patient Safety
- Trauma & Critical Care
- Patient Safety Factors
- Occupational Health & Safety
- Errors in Patient Safety
- Nursing Care & Quality Improvement
- Patient Care Education

About Us

Conference Series LLC Journals

- *900 Open Access Journals*
- *21 Day rapid review process*
- *30000 Editorial team, 35000 Reviewers team*
- *3.5 Million readers and high visibility*
- *More than 100000*
- *Publication immediately after acceptance*
- *Quality and quick editorial, review processing*

Key features

- *User friendly/feasible website translation of your paper to 50 world's leading languages*
- *Enhanced feature: Audio version of published paper*
- *Digital articles to share and explore*
- *Sharing option: Social networking enabled*
- *Authors, reviewers and editors are provided with scientific credits*

Conference Series LLC Conferences

- *300 Conferences all over the World every year*
- *Well organized scientific program*
- *Renowned speakers and scientists across the globe*
- *Poster presentations and world class exhibits*
- *Panel discussions and interactive sessions*
- *B2B meetings*
- *Perfect platform for Global Networking*

Key features

- *Presentation by renowned speakers from all over the world*
- *Poster presentations and world class exhibits*
- *Interactive Sessions*
- *Platform for global networking*
- *Connecting scientific community*

Special Issues

All accepted abstracts will be published in respective Conference Series LLC Journals

Each abstract will be provided with digital Object Identifier by

Patient Safety 2017

About Conference

Patient Safety & Quality Healthcare is a fast-growing business sector, with a global market of around € 350 billion, projected to reach over € 600 billion by 2020 and its development is making tremendous impacts Patient Safety & Quality Healthcare, Optics, nanoPatient Safety & Quality Healthcare and lasers. The importance and significance can be gauged by the fact that it has made huge advancements over the course of time and is continuing to influence various sectors. Patient Safety & Quality Healthcare in Italy a key technological asset, pervasive in a wide range of industrial activities from the ICT to the industrial equipment's, from biomedical to the lighting form the cultural heritage to sensing, In a market which is the 8% of the European photonic market, big firm are active along with a large number of advanced SME, founded on a high level academic competence.

Patient Safety 2017

- *Opportunity to attend the presentations delivered by eminent scientists from all over the world*
- *Selected contributions will be published in following International Journals*
    - *Journal of Patient Care*
    - *Primary Health Care: Open Access*
    - *Health Care: Current Reviews*
- *Participation in sessions on specific topics on which the conference is expected to achieve progress*
- *Global networking: In transferring and exchanging Ideas*
- *Share your excitement in promoting Patient Safety & Quality Healthcare, Optics and Laser, Clinical R & D*
- *Conference brings together Scientific Researchers, Business Entrepreneurs and Engineers, Directors, Industry Developers*

Patient Safety 2017

About London

London is the capital and most populous city of England and the United Kingdom standing on the River Thames in the south east of Great Britain. It was founded by the Romans, who named it Londinium. It is one of the world's leading financial centres and has the fifth-or sixth-largest metropolitan area GDP in the world depending on measurement. London is a world cultural capital. It is the world's most-visited city as measured by international arrivals and has the world's largest city airport system measured by passenger traffic. It is the world's leading investment destination, hosting more international retailers and ultra-high-net-worth individuals than any other city. London's 43 universities form the largest concentration of higher education institutes in Europe, and according to 2014 report it is placed first in the world university rankings. According to the report London also ranks first in the world in software, multimedia development and design, and shares first position in technology readiness.

London is a world cultural capital. It is the world's most-visited city as measured by international arrivals and has the world's largest city airport system measured by passenger traffic.

Tourist Attraction:

London has a diverse range of peoples and cultures, and more than 300 languages are spoken. The Office for National Statistics estimated its mid-2014 population to be 8,538,689, the largest of any municipality in the European Union, and accounting for 12.5% of the UK population. It is a leading global city, with strengths in the arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism, and transport all contributing to its prominence. Other famous landmarks include Buckingham Palace, the London Eye, Piccadilly Circus, St Paul's Cathedral, Tower Bridge, Trafalgar Square, and The Shard. It is the home to numerous museums, galleries, libraries, sporting events and other cultural institutions, including the British Museum, National, Tate Modern, British Library and 40 West End theatres.
