Webinar on Patient Safety

September 28, 2021

Webinar is an online seminar that turns a presentation into a real-time conversation from anywhere in the world. Webinars allow large groups of participants to engage in online discussions or training events and share audio, documents or slides – even when they're not in the same place as the meeting host or in the same room where the event or presentation is taking place.

Why to Attend:

1. Constant source of fresh ideas and insights from Peers
2. Affordability
3. Increasing Connections
4. Certification and Recognition
5. Visibility of Profile across world
6. Creation one web page for each participant
7. Interactive
8. No Travel Required

Sessions:

- The Global Scope of Patient safety
- Occupational Health & Safety
- Errors in Patient Safety
- Primary Health Care
- Patient Safety Research

Registration Prices:

Speaker Registration $299

Delegate Registration $349
