Glimpses of Pediatric Cardiology Conferences

Plan Your Trip @ Copenhagen

Denmark is a Scandinavian country comprising the Jutland Peninsula and numerous islands. It's linked to nearby Sweden via the Oresund bridge. Copenhagen, its capital, is home to royal palaces and colorful Nyhavn harbor, plus the Tivoli amusement park and the iconic "Little Mermaid" statue. Odense is writer Hans Christian Andersen's hometown, with a medieval core of cobbled streets and half-timbered houses.
