About Dubai

Dubai is second largest of the seven Emirates that make up the United Arab Emirates located on the Eastern coast of the Arabian Peninsula, in the south west corner of the Arabian Gulf. Dubai has developed as a global city and business hub of the Middle East and South Asia also one of the wonders of the modern world. Dubai has emerged as a cosmopolitan city that has grown progressively into a worldwide city and a business and social center of the Middle East an d Persian Gulf. Dubai is the 22nd most extravagant city on the planet and the most costly city in the Middle East. In 2014, it is extremely well known for its warm hospitality and rich cultural heritage, and the Emirati people are welcoming and generous in their approach to visitors. With year-round sunshine, intriguing deserts, beautiful beaches, luxurious hotels and shopping malls, fascinating heritage attractions and a thriving business community, Dubai receives millions of leisure and business visitors each year from around the world. Many visiting places are in Dubai like The Burj Al Arab, Jumeirah Mosque, Al Fahidi Fort & Dubai Museum, and The BurjKhalifa and so on. There are many tourist attractions in Dubai, resulting from a large scale construction boom. Mohammed bin Rashid Al Maktoum, the current ruler of Dubai and the prime minister of the United Arab Emirates, wants Dubai to become the top tourist destination in the world. Dubai is expected to attract 15 million tourists from all around the world in 2015. Euromonitor ranked the world's 150 most visited cities by international tourists in 2009; Dubai ranked 7th. Dubai hosted a record 10 million visitors in 2012, an increase of 9.3% from the previous year.
