Invitation

New York, USA

Pediatric Gastroenterology 2018

Dear Attendees,

We are glad to announce the **3rd Annual World Congress on Pediatric Gastroenterology and Nutrition** to be held in **New York, USA** from **March 21-22, 2018** organized by **Conference Series LLC, USA** in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members.

This conference is a unique international platform that's a confluence of all stake holders of the pediatrics – Industry, Academia, Researchers, Innovators, Regulators – coming together to present and discuss current topics in Clinical Pediatrics, General Pediatrics, Pediatric and Neonatal Gastroenterology, Clinical Pediatric Gastric Problems, Pediatric Gastrointestinal Disease, Pediatric Gastrointestinal Cancer, Pediatric Gastrointestinal Diseases Diagnosis, Pediatric Gastrointestinal Surgery, Child Development, Pediatric Gastrointestinal Drugs, Pediatric Hepatology, Food Industry, Pediatric Nutrition & Pediatrics Case Reports and will be available to discuss with you the latest issues and trends in Overcoming Milestones towards Pediatric Gastroenterology and Nutrition ***"Exploring Recent Advancements and New Dimensions of Pediatric Gastrointestinal and Nutritional Disorders".***

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the Pediatric Gastroenterology and Nutrition Conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to **New York, USA** this March

Sincerely,
Pediatric Gastroenterology 2018
Organizing Committee

About Paris

New York, USA

Pediatric Gastroenterology 2018

New York, is a state in the north-eastern United States, and is the 27th-most extensive, fourth-most populous and seventh-most densely populated U.S. state. New York has a diverse geography. The southern part of the state consists of Long Island and several smaller associated islands, as well as New York City and the lower Hudson River Valley, most of which lie within the wider Atlantic Coastal Plain. The large region known as Upstate New York consists of several ranges of the wider Appalachian Mountains, including the Allegheny Plateau and Catskills along New York's Southern Tier, and the Adirondack Mountains, Thousand Islands archipelago, and Saint Lawrence Seaway in the North-eastern lobe of the state. These more mountainous regions are bisected by two major river valleys—the north-south Hudson River Valley and the east-west Mohawk River Valley, which forms the core of the Erie Canal. Western New York is considered part of the Great Lakes Region and straddles Lake Ontario and Lake Erie. Between the two lakes lies Niagara Falls. The central part of the state is dominated by the Finger Lakes, a popular vacation and tourist destination.
